Federal Direct PLUS Loan Application

Credit Check Authorization 2015-2016

The Federal Direct Parent PLUS Loan allows a parent to borrow on behalf of a dependent child. The U.S. Department of Education's Direct Loan Servicing Center will conduct a credit check on the parent borrower before approving the loan. If the loan is denied because of an adverse credit history, the Direct Loan Servicing Center will notify the parent. In this event, the dependent student can apply for an additional Federal Direct Unsubsidized Student Loan.
