Bowie State University  
Career Development Center  
Corporate Partner Program

*Partnering to maximize recruitment efforts  
and career opportunities*

Become a corporate partner with the Career Development Center at Bowie State University!

As a corporate sponsor, you will be afforded the opportunity to increase your company's visibility, maximize recruitment efforts and build long lasting relationships with our students, alumni and faculty.

Our hope is that this partnership will result in more awareness of your company on campus and lead to more internship and full-time career opportunities for BSU students and alumni.
