One of the most dynamic concepts in post-secondary education today is Cooperative Education. Though there are many variations of this program, Cooperative Education is basically an arrangement of combining study and work leading to the Baccalaureate Degree. The Cooperative Education student intersperses on-campus academic preparation with off-campus actual job experience. To implement Cooperative Education, a partnership is formed between the employer, University and the student. Some of the advantages and benefits of this partnership are as follows:

As a Co-Op student you will:

- Add relevance to your education
- Earn an income that will help defray tuition cost
- Receive academic credit
- Gain practical work experience in a job related to your major
- Work with professionals in your career field
- Discover if your career choice matches your interest and abilities
- Find the transition from college to a work environment easier after graduation

Types of Cooperative Education Programs

There are two types of Cooperative Education programs at Bowie State University that you can participate in.

Parallel Co-Op is like a part-time job. The student goes to school full-time and works each semester.

Alternating Co-Op is when the student alternates semesters between full-time work and full-time study.

Eligibility Requirements for the Cooperative Education Program

To receive academic credits, you must:

- Have completed a minimum of 24 credit hours of college.
- Be a sophomore, junior, senior, or graduate student with a minimum cumulative 2.5 GPA on a 4.0 scale. If you are a transfer student, you must have a minimum of 24 credits.
- Have a job that is related to your academic discipline.

Application Process for the Cooperative Education Program

- 1. Pick up the Cooperative Education Program application from the Career Development Center.
- 2. Meet with your faculty advisor and/or department chair to discuss receiving academic credit for your work experience. In order for the faculty advisor and/or department chair to make a decision, you **MUST** bring the following documents with you to the initial meeting:
 - Copy of your unofficial transcript
 - Copy of your job description
 - Learning Contract (page 6 of this packet)
 - Cooperative Education Request for Credit form (page 8 of this packet)
- **3.** Once your faculty advisor and/or department chair has determined that academic credit can be earned, they will complete and sign the Learning Contract and the Cooperative Education Request for Credit form.
- **4.** You must submit all completed documents to the Cooperative Education Coordinator in the Career Development Center.
 - Copy of your job description
 - Learning Contract
 - Cooperative Education Request for Credit form
 - Copy of your current resume
 - Release of Transcript to Employer form
 - Employer Information Data Sheet

Please note: You must provide a copy of your position description to the Co-Op Coordinator and your Faculty Advisor, as well as, the Learning Contract, in order to receive academic credits.

5. You must register for the applicable cooperative education credits as indicated by your faculty advisor and/or department chair.
