

Lenovo ThinkPad T550

POSITIONING STATEMENT

The ThinkPad T550 is a 15-inch Ultrabook™ redefining the business standard laptop. Thin, light and well connected, the T550 is a truly mobile Ultrabook providing no-fuss, high speed computing in a sleek form factor for today's on-the-go business professional. In addition to the already superior battery life packed inside, the T550 can be paired with Power Bridge Technology, a separate battery pack that easily locks into the laptop and continues to power up without closing out files and shutting down to keep users working efficiently.

KEY FEATURES

- Super-thin Ultrabook™ built on Lenovo's trusted durability with a sleek, executive-feel form factor
- Incredible blend of power and performance with up to 5th Generation Intel® Core™ i7 processor
- Up to 17 hours of battery life for high capacity computing
- Clearer, more life-like sound with Dolby® Home Theater® v4 Polycom®
- Optional Power Bridge Technology for added battery life and even better workhorse business laptop
