Incoming online freshmen students will follow the traditional academic plan, but all of their courses will be online.

Transfer online students would pick up the junior year traditional program.

Having completed their 60 credits, online transfer students, in the fall semesters will be offered 300/400 level courses by Dr. Branch-Ellis and Prof. Peay. These courses will be designed for online students (but other students can also enroll).

In the spring semesters, CRJU 201, 202 and 203 will be offered for those students who entered the university, for the online program as freshmen students.
