Academic Program Assessment Rubric and Feedback

The review criterion for assessment plans will be based on the six categories listed in the left column. Is the specific category present in the plan, and if so, is it specific, measurable, attainable, realistic, and timely?

PROGRAM NAME : Click here to enter text.

CATEGORY	Outstanding (Exceeds) 3	Satisfactory (Meets) 2	Developing (NI) 1	Missing (Absent) 0	COMMENTS
1. Program Goals & Objectives (clearly defined)					
2. Learning Outcomes (multiple opportunities for student learning)					
3. Assessment Measures (multiple measures)					
4. Data Collection Methods (direct and indirect)					
5. Data Analysis (conducted and thoroughly examined)					
6. Summary of Results & Action Plan (recommendations, implementation timelines, sharing of results with key stakeholders)
