PREAMBLE

This Memorandum of Understanding (“Agreement” or “MOU”) is entered into by Bowie State University (“University” or "Employer") and the American Federation of State, County and Municipal Employees, AFL-CIO ("Union" or "AFSCME") and its Local 1297 and has as its purpose the promotion of harmonious relations between the employer and the employees in the exempt bargaining unit and its representatives. The parties to this Agreement shall make a sincere effort to ensure that its administration is conducted in a fair and expeditious manner and for the benefit of establishing stability and understanding in the parties' labor management relationship.

ARTICLE 1 -- RECOGNITION

Section 1. Exclusive Bargaining Agent

The University recognizes AFSCME as the sole and exclusive bargaining agent in all matters establishing and pertaining to wages, hours and others terms and conditions of employment for all full-time and regular part-time employees in the exempt bargaining unit. In recognition of the exclusive representative status of AFSCME, the University will not negotiate, attempt to negotiate, confer, or otherwise entertain talks with any other organization, individual, corporation or entity who presents itself as bargaining agent of any or all of the employees in the bargaining unit on matters which are within the scope of collective bargaining as outlined in Md. Code. Ann State Personnel & Pension § 3-407.

Section 2. Definition of Exempt Bargaining Unit

All job classifications and positions considered within the exempt bargaining unit as to the date of the Union's certification, as outlined in Certification No. HELRB C2002-08 and any new non-management or confidential job classifications and positions created thereafter, shall be considered bargaining unit positions. All employees occupying such positions in a full-time or part-time basis, and who are under probationary or regular status, are considered the bargaining unit and shall enjoy the benefits, rights, obligations and protections stipulated in this Agreement in addition to any other rights provided by law.

Section 3. New Job Classifications

Should any new exempt job classification(s) be created, the Employer shall notify the Union at least thirty (30) days prior to the intended date of implementation. The Employer shall inform the Union as to whether it intends to place the new job classification in the exempt bargaining unit. At the request of the Union, the parties will meet for the purpose of negotiating on any issues within the scope of collective bargaining affecting the new job classification. Any disputes between the Employer and the Union as to the placement of a new job classification in the bargaining unit may be submitted to the State Higher Education Labor Relations Board at the request of either party. The decision of the Board shall be final and binding on both parties.

ARTICLE 2 -- NON-DISCRIMINATION

The Employer agrees not to discriminate or in any way promote, condone, support, or allow discrimination to occur against employees because of their exercise of rights under this Agreement, the laws of the State of Maryland, and any other law applicable to their employment and retention rights with the Employer. Forms of discrimination include but are not limited to: discrimination based on race, age, color, religion, creed, sex, sexual orientation, political affiliation, union participation, nationality or country of origin, disability, and marital status.

ARTICLE 3 -- MANAGEMENT RIGHTS

The Employer retains the sole and exclusive authority for the management of its operations and may exercise all rights, powers, duties, authority and responsibilities conferred upon and invested to it by all laws including, but not limited to, Md Code. Ann State Personnel & Pension §3. It is agreed by the parties that any section of this MOU that conflicts with current law, in particular Title 3, SPP, can be changed by the Employer after providing the Union with an opportunity to meet and discuss the proposed change. It is understood and agreed by the parties that, except as limited by specific sections of this MOU, the Employer possesses all other rights, powers, duties, authority and responsibilities to operate and manage all aspects of its operations but not limited to its departments, agencies and programs and to carry out constitutional, statutory and administrative policy mandates and goals, including but not limited to the right to:

- A. Determine the mission, budget, organization, numbers, types and grades of employees assigned, the work projects, tours of duty, methods, means and personnel by which its operations are to be conducted, technology needed, internal security practices, relocation of its facilities;
- B. Maintain and improve the efficiency and effectiveness of operations;
- C. Determine the services to be rendered, operations to be performed, and technology to be utilized;
- D. Determine the overall methods, processes, means and classes of work or personnel by which University operations are to be conducted;
- E. Hire, direct, supervise, and assign employees;
- F. Promote, demote, discipline, discharge, retain, and lay off employees;
- G. Terminate employment because of lack of funds, lack of work, under conditions where the employer determines continued work would be inefficient or nonproductive, or for other legitimate reasons;
- H. Set the qualifications of employees for appointment and promotion, and set standards of conduct;

- I. Promulgate and/or implement State, University System of Maryland (“USM”), University or department rules, regulations, policies or procedures;
- J. Provide a system of merit employment according to the standard of business efficiency; and
- K. Take actions, not otherwise specified in this Article necessary to carry out the mission of the Employer.

ARTICLE 4 -- UNION RIGHTS

Section 1. Right of Access

Union representatives shall have access to areas in which bargaining unit employees work for the purpose of providing representation to bargaining unit members and to conduct Union business. AFSCME must inform the University prior to contacting employees during working hours through its Labor Relations Representative. It is understood, that such representatives and officers will not disturb the work of employees while visiting the employer's facilities.

Section 2. Representation Rights

Upon request of a member(s) of the bargaining unit, Union representatives including staff representatives, Union job stewards, elected local officers, or any authorized person acting on behalf of the Union shall have the right to meet and confer with employee(s) for the purpose of interviewing, consulting and preparing for meetings with management representatives regarding any aspect of the administration of this Agreement or any issues related to wages, hours, and other terms and conditions of employment. Union representatives who are employees of the University must get release time prior to meeting with employees. Union representatives shall have release time increments of one (1) hour.

Section 3. Means of Communication

The Union and the employees of the bargaining unit shall be permitted to use University e-mail, for membership and bargaining unit meetings. Additionally the Union has the right to communicate to employees through the use of fax machines and telephones. The use of fax machines, telephones and email shall not impede the work flow of the department and/or University. Confidentiality shall be maintained subject to the University's security needs.

Section 4. Bulletin Boards

The University agrees to provide the Union with appropriate space for Union bulletin boards in a conspicuous place in each of the Henry Administration Building, CLT Building, the Thurgood Marshall Library, the Wiseman Centre, and the Physical Plant and Computer Science Building. The University and Union will mutually agree on the placement of lockable bulletin boards at each location. The Union shall ensure that items are not illegal, defamatory, and that no item is directly detrimental to the safety and security of the institution. Within two (2) business days

prior to posting the Union shall provide a copy of all items to the Labor Relations Manager or his/her designee.

Section 5. Right to Information

The Union has the right to request, and the employer has the obligation to provide information that is required by applicable law.

Additionally, the Employer shall provide the Union with the following information in electronic format:

- A. A monthly report listing all current members of the AFSCME bargaining unit. The report shall include the name, job title, assigned salary grade, office and department, date of hire, email address and telephone extension number of every employee within the Exempt bargaining unit. Additionally, the employer shall provide a unique identifier of each employee (Employee ID) and job code. The report can be submitted by email to an address designated by the Union.
- B. A monthly report listing the names, job title, office and department of all employees who retired, resigned, or otherwise separated from employment in the previous month.
- C. Upon initial employment and upon each change in job classification thereafter, each full-time or part-time bargaining unit employee upon request and within ten (10) working days after the request, shall be furnished a copy of his/her job description, applicable salary, assigned work location, daily work schedule, and prescribed standard workweek.

Section 6. New Employee Orientation

Two Union officers or job stewards, as designated by the Union, shall be granted fifteen (15) minutes during new employee orientation sessions organized by the employer to welcome the new employees and to make a presentation on behalf of the Union. In the event the Employer does not provide for an employee orientation, a Union representative and the new employee will be allowed fifteen (15) minutes without loss of compensation, to meet during work time to discuss information pertaining to the role of the Union.

Section 7. Union Job Stewards

The Union will appoint or elect certain employees to serve as Union job stewards. Job stewards will be responsible for investigating and processing grievances. The Employer shall allow reasonable release time, without loss of compensation, to job stewards for the purpose of investigating and presenting grievances to the Employer on behalf of an employee. Such times are to be documented in writing and available within ten (10) working days after the written request from the Labor Relations Manager or designee is received by the steward. The job steward agrees to acknowledge receipt of request for documentation in writing immediately. As a general rule, there should be one job steward for every twenty (20) bargaining unit members. It is understood and agreed that the minimum number of stewards shall be four (4); however in the

event the bargaining unit contains less than sixty (60) employees the minimum number of stewards shall be three (3).

The Union will submit a list of job stewards to the Employer within sixty (60) days after the ratification of this Agreement, and thereafter will notify the Employer in writing as to any additions or deletions to the job stewards' list. In the case of changes to the initial job steward list, the Union will notify the Employer in writing as to the changes and the Employer shall acknowledge receipt of these changes in writing immediately. The University must acknowledge in writing the names of the employees serving as job stewards before those employees may assume their duties. The Employer agrees not to delay having the new job stewards assume their duties by unreasonably delaying the acknowledgement of the changes to the steward list.

Section 8. Meeting Space

The Employer agrees to provide, at no cost to the Union, meeting space to conduct Union related meetings provided that the Union submits a request for the use of facilities at least five (5) working days in advance notice from the date of the meeting to the Labor Relations Manager or his/her designee. The use of these facilities by the Union will not interfere with the instructional activities of the University and will not involve employees who are working unless authorized otherwise. When a request for use of meeting space is denied, the Employer will state the reasons for the denial in writing. The Employer shall not discriminate against the Union or its members when assessing the feasibility of providing meeting space for Union business, nor shall the Employer unreasonably deny a request.

Section 9. Link to Union Website

The University will add the exempt and non-exempt MOU's along with contact information of all AFSCME local representatives on the University website.

Section 10. Local Meetings

The University will provide release time of up to one (1) hour for bargaining unit members to attend local meetings not to exceed once a month.

ARTICLE 5 -- EMPLOYEE RIGHTS

Section 1. General

In addition to all rights granted under this Agreement, all employees in the bargaining unit shall enjoy the following protections and rights to:

- A. Take part or refrain from taking part in forming, joining, supporting, or participating in any employee organization or its lawful activities;
- B. Be fairly represented by their exclusive representative in collective bargaining; and

- C. Engage in collective bargaining or other concerted activities for the purposes of collective bargaining, except as prohibited by Md. Code. Ann State Personnel & Pension §§ 3-303 and 3-305.

Section 2. Direct Discussions with University

An employee covered by the Agreement may, without the intervention of Union representation, discuss any matter with the University.

Section 3. Working Relations

A. Professional Working Relations

The University and the Union agree that all employees shall treat each other with dignity and respect during the course of performing their professional duties for the University.

B. No Verbal Abuse

Bowie State University is committed to providing a workplace for all employees that is safe, secure and free of harassment, threats, intimidation, retaliation, and violence. The University and the Union agree that all employees must demonstrate exemplary conduct. Such conduct includes, but is not limited to, the following: restraining from verbal or physical attacks, threats, and humiliation or harassment in any form. It is expected that all university employees maintain the same rules of professionalism.

ARTICLE 6 -- SCOPE OF AGREEMENT

The specific provisions of this MOU supersede the corresponding specific terms of previously established policies and procedures maintained by the University. This MOU may be modified only by written agreement of the University and AFSCME. All Board of Regents (BOR) and University policies and procedures shall remain in full force and effect unless modified specifically by this MOU or changed as provided below.

The employer and the Union acknowledge that during the negotiations that resulted in this MOU, each had the unlimited right and opportunity to make demands and proposals with respect to any subject of bargaining as provided in Md. Code. Ann State Personnel & Pension § 3, and applicable State Higher Education Labor Relations Board (“SHELRB”) regulations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this MOU. The employer and the Union agree that for the life of this MOU, each waives the right, and neither shall be obligated to bargain collectively with respect to: 1) any subject specifically referred to in this MOU; 2) subjects on which the Union made, or could have made, proposals during bargaining, but about which no agreement was reached, so long as the Union was aware or reasonably should have been aware of the subject during the bargaining process. The parties further agree and intend that the waiver set forth herein shall be construed as consistent with the provisions of the preamble to this MOU and enforceable.

The University and the Union acknowledge their mutual obligation to negotiate as defined and limited by law and this MOU over employer proposed changes in wages, hours and other terms and condition of employment which affect bargaining unit employees and which are not specifically covered by this Agreement and not reserved to the University as a management right. In such circumstances, the obligation to bargain is limited to those changes that will affect the working conditions of bargaining unit employees and that are subject to bargaining under applicable law. The minimum notice to the Union of the intended change in working conditions subject to this obligation is thirty (30) calendar days prior to the proposed implementation of the change. If required to meet a legislative mandate or an emergency situation (including an emergency fiscal management issue), management will notify the Union as soon as possible prior to the proposed implementation of the change. This notification must indicate the legislative mandate or emergency situation as well as known timeframes in conjunction with this mandate. The Union may request bargaining within this notice period. Where the Union does not request bargaining, the University is free to implement the changes. Where the Union does request bargaining, but does not request information, the Union shall submit proposals in response to the Employer's intended changes within ten (10) calendar days of its request to bargain, and the parties will meet promptly to discuss the changes and any proposals submitted by the Union. This ten (10) day time limit may be extended by written agreement of the parties. It is understood and agreed by the parties that, in the event the Union requests information relevant to the proposed change(s), the timeframe associated with the submission of proposals shall commence upon the University providing to the Union the information to which the Union is entitled. The Union agrees that it will tailor its information requests so as not to unduly delay this process.

The Union's ability to negotiate does not provide the Union with "veto" power over employer initiated changes, and it shall not unduly delay the implementation of such changes. The University may implement the proposed changes that are subject to this process even if after good faith negotiations there has not been mutual agreement. Where bargaining is required and requested by the Union over changes necessary to meet a legislative mandate or emergency condition, the parties will negotiate in good faith, and the employer may implement any changes necessary to meet the legislative mandate or emergency condition, including any applicable timeframes, even if no agreement is reached with the Union.

ARTICLE 7 -- HOURS OF WORK

Section 1. Workweek

The standard workweek for full-time employees consists of five (5) consecutive days with eight (8) hours per day, Monday through Friday. This section shall not be interpreted as to preclude the Employer and the Union from agreeing to designate certain job classifications for alternative workweek schedules when such is necessary according to the operation needs of the Employer.

Section 2. Work Schedules

A work schedule is defined as the employee's assigned work hours, including starting and ending times during the work day, and the days included during the standard workweek. Employees may request and the Employee's supervisor may approve temporary changes in their regular work schedule.

Section 3. Work Break

Employees shall be entitled to take at least two (2) 15-minute duty-free rest periods per day. Work breaks shall be scheduled around the mid-point of the first and second half of their schedules.

Section 4. Lunch Break

There shall be a duty-free unpaid lunch break of at least thirty (30) but no more than sixty (60) minutes for employees.

Section 5. Telecommuting

Due to the nature of exempt employment and the nature of the services provided by professional employees at the University, the University may allow with written approval on file in their personnel jackets, employees to telecommute when prior written approval from the immediate supervisor or department director has been obtained. The decision to allow an employee to telecommute shall be made on a case-by-case basis depending on the nature of the employee's duties and responsibilities. However, nothing in this section precludes the employer from establishing positions that are excluded from telecommuting. Nor shall the section be construed to prevent the University from requiring an employee's physical presence at:

- A. Any reasonable time, with reasonable prior notice to the employee; or
- B. Anytime in response to an urgent need.

Section 6. Flex Time.

The BSU Flexible Work Schedule (FWS) is an opportunity to maintain employee productivity and increase employee morale. The FWS is an alternate work schedule in which a full-time employee has a basic work requirement of eight hours* each day, Monday through Friday, and forty (40) hours each week. This alternate work schedule will be available to PIN Exempt-and Nonexempt and Contingent II employees to assist in meeting their work performance goals. The FWS is voluntary and employees are not required to change their current work schedule.

Supervisors must ensure departmental coverage when they allow employees the FWS option. The FWS option may not be available to employees who are shift workers. The supervisor has

the discretion to grant approval to shift workers provided that the University needs are met. Consideration will be given in instances where creative work schedules have been shown to accomplish efficiency/effectiveness and personal goals; to provide coverage for individual department operations and to serve the University as a whole with increased productivity.

A. Supervisory Roles and Responsibilities

Supervisors should not unreasonably deny the FWS option to employees. If the FWS option is denied to employees, the supervisor shall provide the reasons in writing. Appeals of a denial may be made to the appropriate Vice President. The supervisor is responsible for identifying if the FWS option is workable within his or her department by assessing the impact and outcome in terms of production, quality and the employee's history of absenteeism. One or a combination of the above is in the best interests of the University, department, and employee.

The Vice President for Administration and Finance has the general responsibility of overseeing implementation of this policy, through the Office of Human Resources in accordance with legal requirements. Any requests for exceptions to this policy should be made in writing to the Vice President/Provost responsible for the area in consultation with the Vice President for Administration and Finance. Appeals of decisions may be made to the President or his/her designee.

B. Appeals of Decision

The staff member may appeal the supervisor's denial of FWS to the Vice President of the employee's department or division. Such appeal must be in writing to the Vice President with a copy to the supervisor.

C. Monitoring of Flexible Work Schedule

The supervisor shall review and monitor the work schedules of the staff member on a periodic basis to ensure that the arrangement is productive and the needs of the department and the University are met. Such review by the supervisor may include periodically working during the hours of the alternate work scheduled, monitoring the work generated and the level of customer support provided. Supervisors may continue the FWS after such review or may modify the schedules with appropriate notice.

D. General

1. BSU has implemented the option of a Flexible Work Schedule (FWS) Policy for employees in offices where a flexible schedule will not adversely affect the delivery of services. The purpose of the FWS is to allow BSU to respond to employee needs while increasing productivity and ensuring that organizational goals are being met.
2. The FWS is based on an employee working for a minimum of eighty (80) hours per pay period. A participant's normal work day could begin between the following timeframes: 7am – 4pm; 8am – 5pm: and 9am – 6pm.

3. Employees are not eligible if they are shift workers, have excessive absenteeism, performance problems, or are Contingent I employees.
4. Each staff member must complete the FWS form and obtain approval from their supervisor and department head. A copy of the completed form must be forwarded to the Office of Human Resources for retention in the personnel file.

E. Time Parameters

1. Full-time employees must work a minimum of eight (8) hours each day*.
2. Peak hours are 9:00 to 11:00 am and 2:00 to 4:00 pm.
3. Scheduled lunch periods are sixty (60) minutes.
4. An employee's work schedule will be approved ahead of time. A work schedule does not have to be the same for each day of the week.
5. Each individual on FWS will have his/her work schedule fixed for a period of six months. Supervisors will periodically review schedules and may continue or modify schedules, with appropriate notice, as needs arise.
6. Each manager is responsible for ensuring that his/her area is adequately staffed during the core hours 9:00 a.m. and 4:00 p.m.

F. Schedule Conflicts and Changes

1. Any schedule conflicts which may arise will be resolved by the University in a fair and equitable manner.
2. An employee on FWS may choose to return to his/her previous work schedule, or to the normal 8 am to 5 pm workday after providing sufficient notice, if such change will not cause a scheduling conflict.
3. The University may return an employee to the normal 8 am to 5 pm workday if the employee's schedule proves unworkable, if the employee abuses the schedule, or if it is in the best interest of the organization.
4. The University has the discretion to modify work schedules when needed, and with appropriate notice, to accommodate peak work periods.

Section 7. Hours of Service for Commercial Driver's License (CDL)

The University will adhere to the laws in accordance with the U.S. Department of Transportation and the State of Maryland.

ARTICLE 8 -- PROBATIONARY PERIOD

Section 1. New Employees

The initial probationary period for newly hired employees shall be twelve (12) months. Employees who have completed a probationary period in any position shall not be required to serve a new probationary period when transferring to a similar position in the same classification with a different department.

Section 2. Newly Converted Employees

Contractual employees who have served an original probationary period and are converted to a permanent status shall not be required to serve an additional probationary period.

Section 3. Termination of Exempt Employees Under Probation

The termination of a newly hired Exempt employee may occur without just cause during the probationary period

ARTICLE 9 -- WAGES

Section 1. COLA and Merit Adjustment

Subject to the approval and funding by the General Assembly, wages, cost of living adjustments (COLA) and merit increases will be provided to bargaining unit employees at whatever amount is provided in the state legislative appropriations.

Section 2. Acting Capacity Pay

An employee required to perform the duties of a position in a classification that has a rate of pay which is higher than that of the employee's classification shall be paid additional compensation on the 21st consecutive calendar day of work in the acting capacity, retroactive to the first day stated in writing that the employee served in official acting capacity. In the event there is a vacancy that is anticipated to exceed thirty (30) consecutive calendar days the employee shall be paid acting capacity pay from the first day the employee started working in the higher classification. The amount of acting capacity pay shall be at least 6% higher than the employee's current salary but not more than the maximum pay for the salary range.

The University may appoint any employee with the requisite experience and requirements of the position, to an acting capacity status in order to meet operational needs when time or

circumstances do not permit immediate selection of a replacement. When an employee is appointed to or actually serving in an acting capacity he/she shall be eligible for a salary increase of not less than six percent (6%) retroactive to the first day of performing the higher duty. The University shall not rotate employees in and out of an acting capacity position in order to avoid the payment of acting capacity pay to one employee. Upon conclusion of the acting appointment, the employee's salary shall revert to the employee's last regular salary rate in effect prior to the acting capacity. Acting capacity appointments shall be voluntary and no employee shall be disciplined or retaliated against for rejecting an opportunity to work in an acting capacity appointment.

Prior to accepting the acting capacity appointment, the employee shall be provided a job description of the expected duties in writing. The performance evaluation of the employee working the duties of a higher pay rate shall reflect the added responsibilities the employee performs. Employees who do not satisfactorily perform the required duties of the higher classification shall be returned to their previous position and shall not suffer formal disciplinary action, unless the employee's conduct or actions warrant such disciplinary action.

The maximum period of acting capacity shall be limited to six (6) months but may be extended for a period not to exceed twelve (12) months.

ARTICLE 12 -- SICK LEAVE

Section 1. Purpose and Applicability

This Article governs the accrual and use of sick leave for all employees covered by this MOU. When a provision of Article 12 provides an employee with the eligibility to use sick leave that is also covered by the Family and Medical Leave Act (FMLA), the sick leave and the leave under the FMLA run concurrently. Also, employees must use their accrued sick leave in accordance with the specific provisions of Article 12 and exhaust all accrued annual leave and personal leave prior to using unpaid FMLA leave.

Section 2. General

- A. Sick leave is paid leave granted to employees in an effort to provide some protection against the loss of earnings due to absences for health reasons.
- B. A full-time employee shall earn sick leave at the rate of fifteen (15) workdays per year. Employees who are appointed at least fifty-percent (50%) time shall earn sick leave on a pro rata basis. Sick leave is accumulated and carried forward from year to year without limit.
- C. An employee may request that his/her illness, injury, or disability occurring during a period of annual or personal leave be charged to sick leave. Verification of such illness, injury, or disability may be required by the Office of Human Resources as provided in Article 12, Section 4 - Verification of Absences Charged to Sick Leave.

- D. An employee may use on a continuous basis, subject to the terms and conditions of this MOU dealing with such leaves, earned leave (sick, annual and personal leave), advanced sick leave, extended sick leave, leave granted through the leave reserve fund, or unpaid family medical leave, as needed for personal illness.
- E. Earned sick leave is granted by the Department Head or designee (normally the immediate supervisor) pursuant to the terms and conditions of Article 12 when an employee is absent because of:
1. Illness, injury, or disability of the employee.
 2. A pre-scheduled medical appointment, examination, or treatment for the employee with an accredited, licensed or certified medical provider listed in Article 12, Section 4.F. that cannot be scheduled during non-work hours. Employees will provide three (3) working days' advance notice if possible, but in no event less than one day's advance notice. Employees shall make every effort to schedule the appointment either at the beginning or the end of the scheduled workday in order to reduce time away from work. However, the University shall not unreasonably deny medical appointments when the time available overlaps with the employee's regular work hours.
 3. Illness or injury in the employee's immediate family and medical appointments, examinations or treatments for the immediate family member with an accredited, licensed or certified medical provider listed in Article 12, Section 4.F. that cannot be scheduled during non-work hours and are not taken pursuant to Article 12, Family and Medical Leave, Section 4.
 - a. Immediate family as used in this Section means a spouse, child, step child, foster child, grandchild, mother, father, mother-in-law, father-in-law, brother, sister, grandparent, or legal dependent of the employee irrespective of residence. Use of sick leave may also be granted to care for any other relative who permanently resides in the employee's household for whom the employee has an obligation to provide care. The Office of Human Resources may require an employee to provide certification by a medical provider listed in Article 13, Section 4.F. to demonstrate this obligation or to authenticate the need for the employee to care for the ill family member. Certification from a medical provider does not need to include information about the specific illness or health condition of the family member or relative.
 - b. Up to fifteen (15) days of accrued sick leave shall be granted by the Office of Human Resources pursuant to the terms and conditions of this Article during any one (1) calendar year for medical care of a family member when the need for such care is not pursuant to Article 13, Section 4, Family and Medical Leave. When the need for such leave is pursuant to Family and Medical Leave, sick leave may be used to the extent it is accrued and available.

4. Death of a relative

- a. For the death of a close relative, the Department Head or designee (normally the immediate supervisor) may grant the use of up to five (5) days of accrued leave. If the death of a close relative requires an employee to travel requiring staying away from home overnight, upon request the Department Head or designee (normally the immediate supervisor) may grant the use of up to a maximum of seven (7) days of accrued leave for this purpose.
- b. Close relative as used in this Section means a spouse, child, step-child, foster child, mother, father (or someone who took the place of a parent), mother-in-law, father-in-law, grandparent of the employee or spouse, grandchild, son-in-law, daughter-in-law, brother, sister, brother-in-law, sister-in-law, or other relative who permanently resided in the employee's household.

5. Integration of Sick Leave and Family and Medical Leave

When an employee requests and is granted leave for reasons defined as "qualifying events" under the Family and Medical Leave Act (FMLA), the employee may use accrued sick leave, to the extent it is available, for any portion of that leave pursuant to the provisions of this MOU on FMLA. In all instances where leave is granted pursuant to the FMLA, employees must exhaust all accrued paid leave, including sick, personal, and annual, prior to moving to unpaid Family and Medical Leave. Advanced sick leave shall only be granted for the illness of the employee. Leaves under FMLA will not be considered when determining if any employee has a satisfactory attendance record.

6. Pregnancy, Childbirth and Adoption

Pregnancy, childbirth and adoption are considered "qualifying events" under the FMLA and as such are governed by number 5 above. Advanced sick leave shall only be granted for the portion of leave during which the employee is incapacitated.

Section 3. Directed Use of Sick Leave/Medical Examinations

- A. The Office of Human Resources, in accordance with the provisions of this MOU dealing with Family and Medical Leave, may direct an employee to use accrued sick leave if it believes that an employee is unable to perform the essential responsibilities of his/her position due to illness, injury or disability.

- B. While either in active work status or on any type of employee-related sick leave, an employee may be required to undergo a medical examination(s) and evaluation(s), and may be required to provide verification of fitness for duty, as directed by the Office of Human Resources to ascertain whether the employee is able to regularly and routinely perform the responsibilities of his/her position. Such determination will be made in writing by a certified medical provider as defined in Article 13, Sick Leave, Section 4.F. with a copy provided to the Office of Human Resources and to the employee.
1. If the examination is conducted by a certified medical provider selected by the, USM institution, the institution shall bear the costs of such medical examination. The employee may, however, see his/her own physician at the employee's own cost.
 2. If the examination(s) reveal(s) that an employee is unable to regularly and routinely perform the responsibilities of his/her position, action may be taken by the Office of Human Resources in accordance with policies on voluntary separation, termination, reasonable accommodation, modified duty or disability retirement, if applicable.
 3. In cases where there is a conflict between the evaluation, prognosis, diagnosis or recommendation of the employee's personal health care provider and the certified medical provider selected by the USM institution, the President or designee may choose which health care provider's report to follow or may require subsequent medical examinations and evaluations in deciding what steps should be taken regarding the employee's sick leave status or continued employment. If subsequent medical examinations and evaluations are required, the employee's medical provider and the University's medical provider shall by agreement select the third medical provider who will render an opinion. In the event they are unable to reach agreement on a third medical provider, the third provider will be selected by the University. In selecting the third provider, the University shall not select a provider that has been under contract, or that at the present time is under contract with the University. The decision of the President or designee regarding the employee's fitness for duty will take into account the medical opinions rendered. The decision of the President or designee is final. The expense of obtaining the third medical provider's opinion will be borne by the University.

Section 4. Verification of Absences Charged to Sick Leave

- A. In order to verify that the employee's use of sick leave is in accordance with this Section, to assure medical attention for an employee or to prevent the abuse of sick leave usage, the University may require an employee to submit verification of the reason for the use of accrued sick leave, advanced or extended sick leave.
- B. Verification of Illness for Absences for Five (5) or More Consecutive Days.

The University may require an employee to provide an original certificate of illness or disability in cases where an absence is for five (5) or more consecutive workdays. The

certificate required by this Section shall be signed by a certified medical provider as defined in Article 13, Sick Leave, Section 4.F.

C. Verification of Illness for Absences for Less than Five (5) Consecutive Days.

The University may require an employee to submit an original certificate of illness or disability for absences of less than five (5) consecutive days on the following conditions:

1. Where an employee has a consistent pattern within a twelve-month period of maintaining a zero or near zero sick leave balance without documentation of the need for such relatively high utilization.
2. Where an employee has unusual absence patterns such as Monday/Friday, or the day before and/or the day after a holiday.
3. Where an employee has five (5) or more occurrences of undocumented sick leave usage within a twelve (12) month period.
4. Where an employee has three (3) or more occurrences of undocumented sick leave usage of two (2) or more consecutive days in a twelve (12) month period.

D. Procedures for Certification Requirement

Prior to imposing a requirement on an employee for documentation of sick leave use, under Section C above, the University shall orally counsel the employee that future undocumented absences may trigger a requirement for certification of future occurrences of sick leave. If the employee has another undocumented absence after such counseling, the University may, subject to the concurrence of the Office of Human Resources, then put the employee on written notice that he/she must certify all sick leave usage for the next six (6) months if the undocumented absence accumulated in accordance with Article 13, Section 4D. At the conclusion of the six (6) months, the certification requirement will be rescinded provided the employee has complied with the certification requirement and is in compliance with this Article. If the employee has not complied with the certification requirement and is not in compliance with this Article, the requirement shall be extended for six (6) months from the date of the lack of compliance with the requirement. Although a requirement for certification is not a disciplinary action, an employee may grieve allegations of misapplications of this procedure. Failure of the employee to provide certification as described in this Section may subject the employee to disciplinary action.

E. Verification may include but may not be limited to:

1. A written statement from the medical provider (as listed in Article 13, Section 4.F.) indicating that the employee is required to be absent from work due to illness;
2. The duration of absence from work;

3. Prognosis of employee's ability to return to work;
 4. Title and original signature of an accredited, licensed or certified medical provider; and
 5. Any other information necessary to verify that the employee's use of sick leave is in accordance with Article 13. Such information does not need to include information about the specific illness or health condition of the employee.

Section 1. Performance Ratings

Each employee shall receive the following written performance evaluation(s) at the end of their probationary period and annually, but no later than April 30th of each year thereafter.  3. Any training needs established.

B. Regular Exempt Employee Mid-Year Performance Evaluation

The supervisor may prepare a written mid-year performance evaluation within six (6) months after the beginning of the current ratings period, if the employee's performance deteriorates during the current rating period, the supervisor must conduct an evaluation. If a mid-year performance evaluation is conducted, the supervisor must meet to discuss the mid-year evaluation and will document in writing the results of the evaluation and will include in that documentation:

1. Any modifications made to the employee's job description that will alter an employee's bargaining unit status; it is understood and agreed that the University will advise the Union thirty (30) days in advance of the proposed date of modification to the employee's job description. It is further understood that the University reserves the right to promote employees, in accordance with this MOU, to a position that may be outside the bargaining unit.
2. Specific tasks and standards established by the employee and the supervisor, which will assist the employee in accomplishing his/her overall objectives for the next evaluation period.
3. Any training needs established.

Section 4. Year End Performance Evaluation

The year-end annual performance evaluation shall include the following:

- A. An overall performance rating.
- B. The specific tasks, which the employee needs to achieve during the next evaluation period and performance objectives, which are established at the Annual Expectations Meeting (see Section 2 above).
- C. Modifications of the employee's job description that will alter an employee's bargaining unit status; it is understood and agreed that that the University will advise the Union thirty (30) days in advance of the proposed date of modification to the employee's job description. It is further understood that the University reserves the right to promote

employees, in accordance with this MOU, to a position that may be outside the bargaining unit.

D. Recommendations for training as appropriate. (See Annual Expectations Meeting, Section 2 above.)

The supervisor conducting the performance evaluation shall be the employee's immediate supervisor, who is in the ordinary course of business the individual responsible for assigning and reviewing the employee's work, signing time sheets, and approving leave. If the supervisor has been the employee's supervisor for less than six (6) months, the employee's former supervisor if available will provide input.

Where an employee did not have an opportunity to perform work described by a performance standard or goal and objective, that standard or goal and objective will not be considered in the year-end performance evaluation. All applicable performance factors and goals and objectives will be applied fairly and objectively. The University shall take into consideration impediments to an employee's job performance, which are beyond the control of the employee. Time off on approved leave (sick, personal, annual, etc.) and authorized time for Union representational purposes and other authorized activities will not be considered negatively in the application of performance factors and performance goals and objectives, provided that where an employee has been placed on notice regarding a sick leave usage problem, the employee's sick leave usage may be taken into account.

The employee's second level supervisor reserves the right to make valid changes or modification(s) to approve an employee's end-of-the-year evaluation prior to the employee's signature. This approval must be secured prior to the end-of-the-year evaluation meeting with the employee. The supervisor shall give the employee a copy of the end-of-the-year evaluation, which will be signed by the employee, and a copy will be placed in the employee's personnel file with the job description attached. A statement of an employee's objection or comments may be submitted to the first and second level supervisor within thirty calendar thirty (30) days of receipt of the current evaluation. A copy of the employee's comments shall also be forwarded, by the appropriate supervisor, to the Office of Human Resources for placement in the employee's personnel file.

Section 5. Deficient Performance

In the event a supervisor concludes that an employee's job performance is at a level, which will result in an evaluation below "Meets Standards", therefore jeopardizing his/her eligibility to receive a merit increase, the supervisor will notify the employee. The employee will be given a reasonable amount of time to correct the performance deficiencies before a year-end performance evaluation is conducted unless the deficient performance warranting the denial of the merit increase occurs late in the evaluation period.

Section 6. Performance Evaluation Salary Increase

Employees, who achieve an annual rating of "Meets Standards" or above, shall receive whatever merit increase is granted in accordance with Article 9 Wages.

An employee's ability to file a grievance is directly linked to the provisions of Article 9 Wages. Employees shall have the right to appeal their performance evaluation ratings for procedural deficiencies or for overall ratings that result in "Below Standards" or "Unsatisfactory" through the grievance process.

In those circumstances where an employee has a complaint regarding a performance evaluation but was not deprived of a merit pay increase in conjunction with Article 9 Wages, such grievance(s) may only be allowed to be grieved through Step 2 of the Grievance Procedure.

All performance evaluation grievances shall be filed in accordance with the Grievance Procedure outlined elsewhere in this MOU.

Section 7. Performance Evaluation Forms

Generally, evaluations are performance tools. Employee's job performance shall be evaluated in accordance with this Article. The University shall use the Performance Management Process (PMP Form) which is incorporated into the MOU as Appendix A. Employees and immediate supervisors may communicate about the employee's performance, the relationship between the employee and the supervisor, and the employee's goals for career development at the University, at times other than those specified in this Article. Regular feedback between the employee and his or her immediate supervisor is an important component to the employee's performance and development and ultimately to the evaluation process.

A collective bargaining employee, either individually or through an AFSCME representative, may provide feedback to the Office of Human Resources regarding their supervisor at any time. The Director of the Office of Human Resources shall share that [information](#), as it is appropriate to do so.

Section 8. Training

The University shall provide mandatory training to all supervisors of Bargaining [Unit employees](#). Mandatory training will be offered two times per year, occurring prior to the delivery of mid-year performance review periods and annual performance periods. The mandatory trainings for mid-year review shall be in either October or November and the annual evaluation training shall be in March or April. All Supervisors shall attend the entire length of the trainings. The University shall solicit suggestions and input for consideration from the Union's Labor Management Committee regarding development of training materials for the mandatory trainings with the intention of strengthening the performance evaluation process.

ARTICLE 15 -- GRIEVANCE PROCEDURE

In the event of an alleged violation or disagreement over any of the provisions of this MOU, a bargaining unit employee represented by AFSCME, which shall be the exclusive employee organization to represent the employees, shall have the right to file a grievance in accordance with Md. Education Code Ann. § 13-201, et seq., a copy of which is set forth below for convenient reference.

Title 13, University of Maryland - General Provisions: Subtitle 2. University of Maryland Classified Employee Grievance Procedures

§ 13-201. Definitions.

- A. In general-In this subtitle, the following words have the meanings indicated.
- B. Day-"Day" means, except as otherwise provided, a working day, Monday through Friday, regardless of work schedule, weekend work, or midweek days off.
- C. Grievance-"Grievance" means any cause of complaint arising between an exempt employee and his employer on a matter concerning discipline, alleged discrimination, promotion, assignment, or interpretation or application of University rules or departmental procedures over which the University management has control. However, if the complaint pertains to the general level of wages, wage patterns, fringe benefits, or to other broad areas of financial management and staffing, it is not a grievable issue.

§ 13-202. (Omitted)

§ 13-203. Steps in Grievance Procedure.

- A. Availability of procedure; number of steps. If, following informal discussion with the supervisor, a dispute remains unresolved, the grievance procedure is available. There are three steps in the grievance procedure.
- B. *Step One.* Step one is the initiation of a complaint. Grievances shall be initiated within thirty (30) calendar days of the action involved, or within thirty (30) calendar days of the employee having reasonable knowledge of the act, unless these time limits are further delimited as stated in § 13-205. Appeals within the grievance procedure shall be timed from receipt of the written opinion of management or from when such opinion is due, whichever comes first. An aggrieved employee or the employee's designated representative may present the grievance in writing to the department head or chairman or designee for formal consideration. If the grievance is presented to the department head or chairman or designee, within five (5) days after the receipt of the written grievance a conference shall be held with the aggrieved or the employee's designated representative and within five (5) days after the conclusion of the conference a decision shall be rendered in writing to the aggrieved or the employee's designated representative. If the aggrieved employee is not satisfied with the decision rendered at this step, the employee

or the employee's designated representative may appeal in writing to step two within five (5) days.

- C. Both employee and department head or chairman or designee shall continue to review the matter, either privately or with the help of others in the employee's immediate work unit who are directly involved in the grievance. Each department head or chairman or designee shall use judgment in keeping superiors informed of the status of each grievance and, if necessary, request guidance, advisory committees, or other assistance consistent with departmental policy. If either the employee or the department head or chairman or designee feels the need for aid in arriving at a solution, the campus personnel department may be requested to provide resource staff or any other available resource personnel may be invited to participate in further discussions. The addition of such participants does not relieve the department head or chairman or designee and the employee from responsibility for resolving the problem.
- D. *Step Two.* The appeal shall be submitted to the President of the University or the President's designated representative within five (5) days after the receipt of the written decision at Step One. The President or the President's designated representative shall hold a conference with the aggrieved or the employee's designated representative within ten (10) days of receipt of the written grievance appeal and render a written decision within fifteen (15) days after the conclusion of the conference.
- E. *Step Three.* In the case of any still unresolved grievance between an employee and the University, the aggrieved employee, after exhausting all available procedures provided by the University, may submit the grievance to either arbitration or to the Chancellor who may delegate this responsibility to the Office of Administrative Hearings in accordance with Title 10, Subtitle 2 of the State Government Article. In either case, the appeal shall be submitted within ten (10) days after the receipt of any written decision pertaining to that grievance and issued by the University. If the grievance is arbitrated, the parties shall select an arbitrator by mutual agreement. If they are unable to reach a mutual agreement, an arbitrator shall be supplied by the American Arbitration Association by their procedures. Any fees resulting from arbitration are assessed by the arbitrator equally between the two parties. The arbitration award is advisory to the Chancellor or administrative law judge, as appropriate, and an additional appeal or hearing may not be considered. The Chancellor or administrative law judge, as appropriate, shall make the final decision that is binding on all parties.
- F. Authority of Chancellor or administrative law judge - The Chancellor or administrative law judge, as appropriate, shall have the power to award back pay in any grievance and the President of the constituent institution shall enforce such order. In any reclassification case in which the Chancellor or administrative law judge, as appropriate, or his designated representative, determines that an employee has been misclassified, the Chancellor or administrative law judge, as appropriate, may, in his discretion, award back pay to the employee for a period not to exceed one year prior to the initial filing of the grievance.

G. Coercion, discrimination, interference, reprisal and restraint prohibited.

1. During any stage of a complaint, grievance, or other administrative or legal action that concerns State employment by a full-time or part-time employee of the institution, or by a temporary or contractual employee of the institution, the employee may not be subjected to coercion, discrimination, interference, reprisal, or restraint by or initiated on behalf of the institution solely as a result of that employee's pursuit of a grievance, complaint, or other administrative or legal action that concerns State employment.
2. An employee of the institution may not intentionally take or assist in taking an act of coercion, discrimination, interference, reprisal, or restraint against another employee solely as a result of that employee's pursuit of a grievance, complaint, or other administrative or legal action that concerns State employment.
3. An employee who violates the provisions of this subsection is subject to disciplinary action, including termination of employment.

§ 13-204. Decisions

A decision may not be made at any step of the grievance procedure that conflicts with or modifies a policy approved by the Board of Regents of the University or with any applicable statute or with any administrative regulation issued under appropriate statutory authority or that otherwise delimits the lawfully delegated authority of University officials unless prior approval has been obtained from the responsible official.

§ 13-205. Suspensions pending removal; involuntary demotions; rejection on probation; disciplinary suspension

- A. Suspensions pending removal - Within five (5) days from the date on which the employee receives the charges for removal as evidenced by the return receipt or other evidence of delivery of the charges to the employee an employee who is suspended under charges for removal may request an opportunity to be heard in his own defense. Within thirty (30) days if possible after receipt, the President or the President's designated representative shall investigate the charges and give the employee an opportunity to be heard. Testimony shall be taken under oath and both the department head or chairman or designee and the employee have the right of representation by counsel and the right to present witnesses and give evidence. Within fifteen (15) days following the conclusion of the conference, the written decision shall be rendered to the employee. In the case of appeals from charges pending removal, the department head or chairman or designee may request through appropriate channels the Attorney General's representative to the University to serve as counsel. In case no hearing is timely requested, the Senior Director of Human Resources shall act upon the charges or order such other actions as are indicated by the findings in the case. If a hearing is timely requested and the removal is upheld, step three of the grievance procedure shall be available to the removed

individual. The appeal shall be submitted within ten (10) days after receipt of the written University decision.

B. Involuntary demotions - Within five (5) days, an employee who is notified of demotion may file a written answer with the President or the President's designated representative and request an investigation of the demotion. Within twenty (20) days, if possible, after receipt, the President or the President's designated representative shall investigate the demotion and give the employee an opportunity to be heard. Within fifteen (15) days following the conclusion of the investigation, the written decision shall be rendered to the employee. If an investigation is timely requested and the demotion is upheld, step three of the grievance procedure is available to the demoted employee. The appeal shall be submitted within ten (10) days after receipt of the written University decision.

C. Rejection on probation.

1. Rejection on Original Probation. Within five (5) days of the notice of rejection, an employee who is rejected on original probation may file a written request with the President or the President's designated representative for a hearing. Within twenty (20) days, if possible, after receipt, the President or the President's designated representative shall conduct a hearing. Within fifteen (15) days following the conclusion of the hearing, the written decision shall be rendered to the employee. If the hearing is timely requested and the rejection is upheld, step three of the grievance procedure is available. The appeal shall be submitted within ten (10) days after receipt of the written University decision. Rejection for cause is not required in the case of an employee rejected on original probation.

2. Rejection on Promotional, Transfer, or Horizontal Change Probation. Within five (5) days of receipt of the recommendation of the department head or chairman to reject, an employee who is promoted and then rejected within the probationary period for the new class and for whom a vacancy in the former class is not available may file an answer with the President or the President's designated representative and request an investigation of the proposed rejection. Within twenty (20) days, if possible, after receipt, the President or the President's designated representative shall investigate the proposed rejection. The same rule applies to an employee who has completed a probationary period in one classification and makes a horizontal change to a new classification, and is rejected in the new classification or who transfers to another department in the same classification and is rejected. Within fifteen (15) days following the conclusion of the investigation, the written decision shall be rendered to the employee. If the investigation is timely requested and the rejection is upheld, step three of the grievance procedure is available to the rejected employee. The appeal shall be submitted within ten (10) days after receipt of the written University decision.

D. Disciplinary suspension.

1. This subsection does not apply to suspensions pending charges for removal.

2. Alleged infractions shall be investigated by the responsible supervisor or administrator or designee at the earliest opportunity following knowledge of it, and the investigation shall be promptly completed. All suspensions of employees shall be implemented within three (3) days of the alleged infraction or knowledge of the alleged infraction by the responsible supervisor or administrator. All suspension days shall be consecutive.
3. The employee or the employee's designated representative may submit a written appeal on a disciplinary suspension to the President or the President's designated representative within five (5) days of notification of the suspension, or the employee or the employee's designated representative may appeal the suspension within three (3) days of notification of the suspension to the department head or chairman or designee. The department head or chairman or designee shall hear the case within three (3) days from the receipt of the written appeal. If the appeal is unheard or unanswered as a result of management delay, the employee shall be reinstated with full back pay.
4. If the suspension is upheld by the President or the President's designated representative, step three of the grievance procedure is available to the employee. If the employee chooses to appeal to the department head or chairman or designee, any further appeals shall precede through steps two and three of the grievance procedure.

E. Preliminary hearing.

1. If an employee is suspended without pay pending a hearing on disposition of charges for removal, the President or the President's designated representative shall notify the employee in writing of the reasons for the suspension at the time of the notice of the suspension.
2. Within five (5) working days of the notice of suspension, the employee may request in writing that the President or the President's designated representative, in addition to conducting a hearing on the merits, conduct a preliminary hearing to determine whether or not the employee may continue to work with pay pending the disposition of the charges.
3. The President or the President's designated representative shall conduct a preliminary hearing within five (5) working days after the President or the President's designated representative receives in writing the request from the suspended employee for the preliminary hearing.
4. The preliminary hearing shall be limited to the issues of:
 - a. Whether suspension without pay is necessary to protect the interests of the University or the employee pending final disposition of the charges; and

- b. Whether other employment and status alternatives should be considered.
5. At the preliminary hearing, the employee may:
 - a. Rebut the reasons given for the suspension;
 - b. Allege mitigating circumstances; and
 - c. Offer alternatives to the suspension, including:
 - d. Return to the position with pay;
 - e. Transfer to another position with pay; or
 - f. Suspension with pay.
6. Within five (5) days after the preliminary hearing is completed, the President or the President's designated representative shall render a written decision that is conclusive as to the issue of whether or not the employee may continue to work with pay pending the disposition of the charges.

§ 13-206. Miscellaneous provisions

- A. In cases of appeal to an arbitrator, each party is responsible for any expense incurred in the preparation and presentation of its own case and for any record or transcript it may desire.
- B. Upon the formal or informal initiation of a grievance an employee designated as a grievance procedure representative shall not suffer any loss of pay for investigating, processing or testifying in any step of the grievance procedure. Release time from normal work schedules is to be granted all witnesses to attend grievance hearings. Expenses incurred in connection with attendance by employees at grievance hearings shall be borne by the employee's department.
- C. Similar grievances may be consolidated and processed together as a single issue. Where a number of individual grievances have been reduced into a single grievance, not more than three employees selected by and from the group may be excused from work to attend a grievance meeting called by the responsible administrator at step one and not more than five employees at steps two and three unless, at any step, prior permission is granted by the person hearing the grievance.
- D. Employee complaint forms shall be available in the campus personnel department. The University form shall be used.

- E. It is the responsibility of the head of each organizational unit to assure that each employee understands the channels of communication and appeal, specifically who is the department head or chairman and who acts in their absence.
- F. An employee may not leave the post of duty to engage in grievance handling without the knowledge of and permission from the designated supervisor.
- G. A formal grievance may be filed by the aggrieved employee; the request to appeal a grievance must bear the signature of the employee or the employee's representative at each step of the procedure.
- H. A record of each grievance and its disposition shall be furnished to the employee involved. A file copy of each grievance shall be maintained at the last step at which the grievance was processed, and an additional copy shall be filed with the campus personnel department which shall be available to the employee or the employee's representative.
- I. At any point in the grievance procedure, the employee may elect to obtain, change, or dismiss the representative by providing a written notice to the person hearing the grievance. However, the action does not allow the grievant to return to a previous step in the procedure.
- J. A hearing officer may exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence or witnesses.
- K. Each step of the grievance procedure shall be processed as quickly as practicable within the specified time limits. Failure to appeal at any step constitutes acceptance. Failure to answer is a denial to which an appeal may be made. By mutual agreement, the time limits and/or steps may be waived.
- L. It is the responsibility of each party to the grievance procedure at each step of the procedure to duplicate the grievance form prior to filing it with the Employer or returning it to the employee and to retain one copy of the form.

- N. An employee may be represented at every step of the grievance procedure by a party or organizational representative.

- P. Both parties shall make an effort to resolve the grievance at the lowest possible level.
- Q. All grievance hearings shall be open hearings unless either party requests that the hearing be closed.

- R. At any step of the grievance procedure, either party may require that witnesses be excluded from the hearing room until called.

- T. Any question concerning the timeliness of a grievance or whether a complaint is subject to the grievance procedure shall be raised and resolved promptly, unless the person hearing the grievance or appeal determines that the decision on a motion to dismiss will be deferred pending a hearing on both the merits and the motion.

§ 13-207. Sovereign immunity; satisfaction of awards

- A. Defense of sovereign immunity unavailable - The defense of sovereign immunity may not be available to the University, unless otherwise specifically provided by the laws of Maryland, in any administrative, arbitration, or judicial proceeding held pursuant to this Section, or the personnel policies, rules, and regulations for classified employees of the University System of Maryland involving any type of employee grievance or hearing, including, but not limited to charges for removal, disciplinary suspensions, involuntary demotions, or reclassifications.

- C. Awards which have not been satisfied - Awards under this Section that have not been satisfied pursuant to Subsection (D) of this Section, shall be reported to the Comptroller of the Treasury, who shall maintain and report annually to the Governor an accounting of existing awards. - D. Timeliness of satisfaction - If the University has sufficient funds available to satisfy any award under this Section at the time the award is rendered, the award shall be satisfied as soon as practicable but not more than twenty (20) days after the award becomes final.

ARTICLE 16 -- DISCIPLINARY ACTIONS

Definition

Discipline is defined as the approach used by the University for modifying undesirable performance and behavior through the use of a range of disciplinary consequences that are applied depending on the employee's misconduct (behavior and/or performance). These

disciplinary actions may include, but are not restricted to, written reprimand, suspension without pay, and termination. For most misconduct problems, each step in the process will be necessary; however, for more serious and repetitive problems the earlier steps may be eliminated.

Section 1. General

Employees shall not be disciplined without just cause. Except as otherwise provided in this MOU, the University has the burden of proof in any proceeding under this Article. After taking disciplinary action against an employee, the University may not impose an additional disciplinary action against that employee for the specific incident of misconduct unless, the action is repeated or additional information is made known to the University after the disciplinary action was taken.

Section 2. Disciplinary Actions Permitted

The University may take the following disciplinary actions against any employee:

- A. Give the employee a written reprimand.
- B. Suspend the employee from one to five days without pay; deny the employee a pay increase.
- C. Demote the employee to a lower paying grade/classification; or, with prior approval of the President or designee:
- D. Termination.

Section 3. Right to Union Representation

An employee shall have the right to Union representation if requested by the employee, only as provided below:

- A. In any investigatory interview or discussion with the employee who is the subject of the investigation.
- B. At any disciplinary hearing or discussion with the employee who is the subject of the disciplinary hearing?

The University shall allow reasonable time for the Union representative to attend said meeting.

An employee shall not have the right to a Union representative in attendance during a discussion solely related to a counseling session, performance, or during a performance review.

All employees are expected to give prompt, accurate answers to any and all questions concerning matters of official interest put to him/her by the University.

The role of the Union representative is to assist in the clarification of questions and otherwise advise the employees of his/her rights. A Union representative shall speak on behalf of an employee only when requested to do so by the employee attending the meeting.

Section 4. Duty of the Employer Prior to Imposing Sanctions

- A. The University agrees where appropriate to administer discipline in a fair and impartial manner as defined under the definition of discipline. Similarly situated employees will be treated similarly regarding the application of disciplinary actions, but mitigating circumstances will be considered.
- B. Procedures - Before taking any disciplinary action related to employee misconduct, the University shall:
 - 1. Investigate the alleged misconduct;
 - 2. Meet with the employee;
 - 3. Consider any mitigating circumstances;
 - 4. Determine the appropriate disciplinary action, if any, to be imposed; and
 - 5. Give the employee a written memorandum or notice of the disciplinary action, if any, to be imposed, and the employee's appeal rights.
- C. Time Limits - The University may impose disciplinary action no later than thirty (30) calendar days after it acquires knowledge of the misconduct for which the disciplinary action is imposed. Exceptions to the above shall apply in cases involving severe misconduct or conduct involving moral turpitude.
- D. Suspension:
 - 1. The University may suspend an employee without pay no later than five (5) workdays after the University acquires knowledge of the misconduct for which the suspension is imposed.
 - 2. Saturdays, Sundays, legal holidays, and employee leave days are excluded in calculating the five (5) workday periods unless Saturday or Sunday is part of an employee's regular schedule or when the employee is required to work on a holiday.
- E. Except as authorized by law, an employee may not be required to submit to a polygraph test.
- F. Termination of probationary employees is covered separately in this Memorandum of Understanding and does not require just cause.

Section 5. Actions Which Do Not Constitute Disciplinary Actions

A. Counseling Memoranda:

1. A counseling memorandum is an instructional communication and is not a disciplinary action. The counseling memorandum should indicate to the employee the problem and what the employee needs to do to correct the problem. Proposed steps for improvement shall be reasonable and within the employee's range of skills and experience.
2. Within fifteen (15) workdays after receiving a counseling memorandum, an employee may submit to the University a written response to the memorandum. The response shall be placed in the employee's Personnel File and attached to any record of the memorandum.
3. An employee may not take any other action in response to a counseling memorandum. A counseling memorandum is not grievable.

B. Leave Without Pay:

Placing an employee on leave without pay when the employee is absent with approval is not a disciplinary action.

C. Restitution:

1. Requiring an employee to make restitution to the University or the State for loss or damage to University or State property due to an employee's negligence is not a disciplinary action.
2. An employee who is ordered to make restitution under this Subsection also may be subject to civil prosecution or criminal prosecution.

Section 6. Other Procedures

A. Negotiations and bargaining permitted - this Article does not preclude the University and an employee from agreeing to:

1. Holding in abeyance a disciplinary action for a period not to exceed six (6) months in order to permit the employee to improve conduct or performance; or
2. Imposition of a lesser disciplinary action as a final and binding action.

B. Failure to appeal - if an employee fails to grieve/appeal in accordance with the procedures provided in this Memorandum of Understanding, the employee is considered to have accepted the decision.

- C. Time limits - the parties may agree to waive or extend any time limits as stated in this Article.
- D. Resolution of appeal encouraged - each party shall make every effort to resolve an appeal at the lowest level possible.
- E. The University's failure to decide an appeal in accordance with law and regulation is considered a denial from which an appeal may be made.

Section 7. Excessive Absenteeism, Tardiness or Abuse of Sick Leave

- A. It is understood that excessive absenteeism, excessive tardiness, or abuse of sick leave constitutes just cause for discipline, and it is the intent of the University to take corrective action.
- B. An employee who is placed on leave without pay for an unapproved absence may be subject to disciplinary action for the unapproved absence.
- C. If an employee fails to report to work for three (3) consecutive days and he/she or a designee fails to contact the designated supervisor or manager the employee will be terminated. In circumstances where the employee is incapacitated and the designee does not know the identity of the designated supervisor, he/she may contact the Office of Human Resources. Extenuating circumstances beyond the employee's control shall be considered before terminating any employee.

Section 8. Expunging of Disciplinary Documents

After twelve (12) months without any further disciplinary action and upon the written request of the employee, counseling memos and verbal/written warnings shall be expunged from the employee's official personnel file. This Article does not restrict the University's right to keep disciplinary records such as, but not limited to, letters of reprimand in an employee's file for instances of serious infractions.
