

Bowie State University Current and Pending Support

PI/CO-PI/Senior Personnel Name: _____

Note: Project/Proposal Section- Current and Pending Support includes all resources made available to an individual in support of and/or related to all of his/her research efforts, regardless of whether or not they have a monetary value.[1] The information must be provided about all current and pending support, including this project, for ongoing projects, and for any proposals currently under consideration from whatever source[2], irrespective of whether such support is provided through the proposing organization or is provided directly to the individual. Concurrent submission of a proposal to other organizations will not prejudice its review by Bowie State University (BSU) if disclosed.[3] Please enter your support entries, so they are grouped together based on the "Status of Support" and are in the order of Current, Pending, Submission Planned, and Transfer of Support from top to bottom.

[1] If the time commitment or dollar value is not readily ascertainable, reasonable estimates should be provided. [2] For example, Federal, State, local, foreign, public or private foundations, non-profits, industrial or other commercial organizations, or internal funds allocated toward specific projects. [3] The Biological Sciences Directorate exception to this policy is delineated in PAPPG Chapter.
