

BSU Community,

Dr. Rhonda Jeter, dean of the College of Education, has decided to step down from her role and return to the faculty, effective June 26, 2026.

Please join me in expressing sincere appreciation to Dr. Jeter for her dedicated service, leadership and commitment to Bowie State University. During her tenure as dean, the College of Education made meaningful progress in expanding student opportunities, strengthening academic programs and advancing the important work of preparing educators and leaders for our communities.

Effective, June 30, 2026, Dr. Sean Coleman, associate dean, will serve as interim dean until a search for a new dean can be conducted. That process will begin in the fall semester.

We thank Dr. Jeter for her leadership and wish her continued success as she returns to the faculty.

Sincerely,

Aminta H. Breaux, Ph.D.

President

Bowie State University
