

Dear Members of the Bowie State University Community,

I deeply regret to inform the campus that the Vice President for Intercollegiate Athletics and Recreation, Clyde Doughty, Jr., suddenly passed away last night.

Vice President Doughty was devoted to the BSU community and he will be greatly missed.

Our thoughts are with Vice President Doughty's family in this sorrowful moment. Please continue to keep his family and colleagues in your thoughts and prayers.

I invite the campus community to come together at the Leonidas S. James Complex throughout the day. Grief Counselors will be available today in the A.C. Jordan Arena for anyone who may need counseling services.

Grief counseling is also available to all employees through the [Employee Assistance Program](#). For 24/7 access to counseling support and additional resources, contact Guidance Resources at 855-410-7628. Students can access urgent or after-hours counseling support by calling 301-860-4164 or may schedule an appointment with the Office of Counseling Services by calling 301-860-4169 or [visiting our website](#).
