

# OFFICE of THE PRESIDENT

BSU Community:

During this time of profound loss for the Bowie State University family, I want to share an important leadership update. Effective immediately and until further notice, Jolisa Williams will serve as interim vice president for athletics and recreation.

As we continue to mourn the passing of our colleague and friend Clyde Doughty, Jr., I ask for your full cooperation and support of Dr. Williams during this period of transition. This is a difficult moment for the division and our university. It will take all of us working together to move forward with compassion, unity and care for one another.

The best way we can honor his legacy is through our shared commitment to excellence, to our student-athletes, and to the mission we serve each day.

Thank you for your continued dedication to our institution and to the lives we serve each day.

With appreciation,

**Aminta H. Breaux, Ph.D.**

President

Bowie State University
