Academic Program

Student Learning Assessment Program Template

Assessment of Student Learning Outcomes

Completion of this template is needed from each academic program in order to develop a database of assessment efforts and results at the university. Program assessment plan is for the next 5 years. Be sure to complete one report from each of your academic programs (majors, minors) at each level (undergraduate, graduate).

Name of Program: _____

Name of Contact Person: _____

Program Goals: (list)

Program Learning Outcomes: (list)

Learning Outcomes:
Instructions: Please compete this chart for each of the program in your area

Expected Learning Outcomes	Courses and/or experiences in which this outcome can be achieved	Instrument(s)	Frequency	Results of assessments* (when and what?)	How results are used for improvement (when and what?)

*You may include benchmarks here is you use them in your program. Add as many rows as you need to include the most significant expected outcomes for your program.
