This agreement is effective with Anne Arundel Community College admits Spring 2013
This agreement will be reviewed biennially.
ARTICULATION AGREEMENT

Anne Arundel Community College, Associate of Applied Science in Criminal Justice

Bowie State University, Bachelor of Science in Criminal Justice

Anne Arundel Community College (here after referred to as AACC), a community college in Anne Arundel County, Maryland, and Bowie State University (BSU), Bowie, Maryland, regionally accredited by Middle States, agree to offer an articulated program leading to the award of an Associate Applied Science (A.A.S.) in Law Enforcement and Criminal Justice and a Bachelor of Science (B.S) in Criminal Justice. They further agree that students from AACC, through this articulation agreement, will be allowed to transfer credits earned for the associate degree at AACC to Bowie State University, leading to the award of the baccalaureate degree at Bowie State University.

Purpose of the Agreement

This agreement is entered into to serve the instructional needs of AACC students and graduates. Its general purpose is to make clear the terms of the transfer.

By doing so, this articulation agreement will facilitate an efficient transition from AACC’s Law Enforcement and Criminal Justice to the B.S. Criminal Justice at Bowie State University. AACC graduates will understand how Bowie State University transfers the credits they earn at AACC, as well as the changes in requirements that may permit more flexible scheduling once the student has been admitted to and enrolled at Bowie State University. The agreement provides a systematic plan for students to continue their higher education beyond the A.A.S. degree from AACC.

The agreement, also, is a publication of a clear set of understandings and expectations for both institutions and programs. Making expectations clear to students and between institutions not only contributes to the first goal, but also allows the institutions to work collaboratively to meet the needs of AACC graduates. Like any policy agreement, this articulation agreement will need to be updated, revised and refined as the instructional programs are revised.

Finally, the agreement encourages AACC graduates to continue their educational pathway for both personal and professional development, as well as career advancement. It facilitates students’ successful achievement of credentials in their field.
Guiding Principles

The following general principles guide the operation of this Agreement:

1. The program is designed for graduates of the Associate of Applied Science degree in Law Enforcement and Criminal Justice at AACC. A maximum of 65 credit hours from AACC will be allowed toward fulfillment of the 120 credit hours required for baccalaureate completion.

2. All courses meeting general education requirements at AACC will transfer to BSU as general education.

3. Students must maintain a 2.0 cumulative grade point average in order to transfer.

4. The maximum number of credits that will be accepted by Bowie State University toward degree requirements from non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores) is 30. Tech Prep credits will not transfer. Credit awarded for experiential learning (“life experience”) is not recognized by, and is not transferable to, BSU.

5. Once the A.A.S. is completed and the student has been admitted to Bowie State University the student may commence the Criminal Justice program by completing a “Declaration of Major” form and registering for courses.

6. While AACC and Bowie State University do not presently have a dual enrollment program should one be agreed to, this agreement will not preclude students from participation and students may apply for and receive the benefits of dual enrollment. Those students would then be subject to the policies of said program should they apply.

7. AACC students who have completed the Associate of Applied Science in Law Enforcement and Criminal Justice will be given every consideration for financial assistance and will be eligible to compete for academic scholarships at BSU.

8. This agreement becomes effective on the date set forth on the first page of this document. AACC and Bowie State University agree to publicize this program. They further agree to monitor the performance of this agreement and to revise it as necessary. The agreement may be terminated by either party for due cause and after adequate notice to the other. Termination of the agreement will not affect any students currently enrolled at AACC in the Law Enforcement and Criminal Justice program at the time of termination, and they shall be able to transfer credits pursuant to this agreement.

9. Bowie State University will establish a mechanism to provide information on the academic progress of the AACC student enrolled as a result of this agreement.
Program Articulation A.A.S in (Law Enforcement and Criminal Justice)-B.S. in (Criminal Justice)

The following details the transfer of course agreement between the A.A.S in Law Enforcement and Criminal Justice at AACC and the B.S. in Criminal Justice at Bowie State University:

Students are required to earn at least a “C” grade in all courses in order for the course grade to be eligible for transfer credit unless it is a general education course.

Law Enforcement and Criminal Justice students transferring to the Bachelor of Science Criminal Justice program at Bowie State University should be aware that the Criminal Justice curriculum is built upon a series of established course sequences. For students to progress through the program, they must have the appropriate pre-requisites, co-requisites, and must also achieve sufficient GPA levels. Students are required to earn at least “C” grade in all Criminal Justice courses.

Overview and Summary

For students following this agreement, the steps are as follows:

Step 1: Complete the Law Enforcement and Criminal Justice Associate of Applied Science Degree at AACC.

Step 2: Apply for admission to Bowie State University, indicating Bachelor Science Criminal Justice program as the intended major. Applications for admission can be obtained online at www.bowiestate.edu/apply.
Courses Remaining

The Bachelor of Arts/Science degree in Criminal Justice at Bowie State University requires students to successfully complete the following courses upon transfer to BSU:

**GENERAL EDUCATION CREDITS (6 hours remaining)**

| Arts/Humanities | 3 |
| Science         | 3 or 4 |
