Director, Continuing Education

Welcome to Bowie State University

You have decided to take courses at Bowie State University (BSU) in the Dual Enrollment program with PGCPs. This is the Website for the program: <https://www.bowiestate.edu/academics-research/cert-courses-and-continuing-ed/bsu-pgcps-dual-enrollment-prog/>

Your question is:

How do I become a Dual Enrollment student?

Eligibility Criteria

PGCPS students must meet the following requirements in order to be eligible for dual enrollment at BSU:

1. Be enrolled in the 11th or 12th grade on the first day of the semester in which the course is offered. This will apply to rising 11th and the 12th graders during summer session.
2. Demonstrate, via placement test, college readiness in math, English and/or Reading. Results of Accuplacer, Compass, ACT and SAT may be used to determine readiness for college level-work. Minimum scores for college readiness are listed in Appendix D.
3. Maintain a 2.5 high school cumulative GPA.

Description

In the event that a PGCPs student wishes to be enrolled in a course at BSU, the following process will be followed:

1. The student must take a placement test. The student may take the Accuplacer, Compass, SAT or ACT. PGCPs will administer Accuplacer in the spring for the following fall to all potential dually enrolled students. Students who fail to meet the cut scores may take a test prep course in the summer which will include a retest. A fall administration of Accuplacer will be available to any student who meets the eligibility criteria for community college entrance. SAT and ACT administration through PGCPs will follow current schedules.
2. The student must complete a request for dual enrollment at the high school to verify qualifications/criteria for dual enrollment are met for each semester.
3. The student must secure the approval of the counselor to allow the course to be considered for dual credit.
4. Seniors taking a dual credit course in the spring of senior year will not have the course grade applied to the calculation of valedictorian or salutatorian status.
5. All seniors must be enrolled for a minimum of two credits in the public school, or two courses at BSU, or a combination of the two in each semester of their

senior year.

6. The PGCPS personnel must verify enrollment, qualifying placement score, and Free and Reduced Meals (Farms) Status. Enrollment, student ID, FARMS, DOB, GPA, placement score and dual credit course will be uploaded into a school system database. PGCPS will send a file of potential applicants to BSU that will designate them in the BSU registration database.
7. The student must register for a course.
8. Tuition at the rates designated in the MOU will be paid by PGCPS for both FARMS and non-FARMS students.
9. Fees and textbooks for FARMS students will be billed by BSU to PGCPS.
- 10. If a non-FARMS student, the student will pay applicable fees and will pay for their own textbooks.**
11. If students receive a minimum 2.5 GPA, earn 6 credits toward degree, and have a minimum 900 SAT score (Critical Reading and Math) or 19 ACT Composite, they will automatically be admitted to Bowie State University upon graduation.

Process Flow

1. The student must complete the PGCPS/BSU Dual Enrollment Application and submit to the office of Continuing Education and External Programs.
2. The student takes the placement test.
3. A student who meets the GPA and placement test completes the request for dual enrollment and submits the request to the principal and/or counselor for signature.
4. The school counselor verifies the enrollment in high school, the placement test score, and records the request in the dual enrollment database.
5. The counselor approves dual credit designation.
6. The school uploads the information into a database.
7. FARMS status is verified.
8. PGCPS transmits the data to BSU.
9. The student will participate in the BSU hybrid orientation.
10. The student registers for a course or courses.
11. BSU provides a list of students and their courses three weeks prior to the start

of the semester.

12. PGCPSP will provide students FARMS status to BSU two weeks prior to the start of the semester.
13. BSU will provide an updated list of students and their courses three weeks prior to the start of the semester.
14. Upon completion of the course, PGCC will provide a list of course completers with final grade and an invoice at the end of the semester (session).
15. PGCPSP uploads the list and pays the tuition invoice. ***(Please Note: The student accounts of those in the program will continue to show tuition and fees owed until PGCPSP pays the invoice from BSU.)***
16. PGCPSP will pay the invoice within 30 days of receipt.
17. PGCPSP will record the course on the student transcript. If the course is part of the approved graduation credit agreement (Appendix C), the course will count toward graduation credit and be included in the student GPA as a weighted grade. If the course is not part of the approved graduation credit matrix, the course will not appear on the high school transcript but will not be counted as a graduation requirement or be calculated as part of the cumulative GPA. If the student fails to attend the course, the college transcript will indicate F.
18. PGPS will include the grade on the transcript, including a withdrawal, an incomplete or a failure.
19. PGCPSP reserves the right to not approve future dual enrollment courses in the event a student withdraws, fails the course, or receives an F grade for non-attendance.
20. Until official grades are received by PGCPSP, students may use unofficial grades, printed via Bull Dog Connection, as evidence of successful completion of a course.

PLEASE NOTE: Although the agreement with Prince Georges County Public School (PGCPSP) requires it to pay the tuition for all students identified as being in the Dual Enrollment program, the generated expenses belongs to the student. ***Hence, the expenses will continue to remain on the students bill until PGCPSP pays the invoice which contains the student's tuition.***

Those students who are required to pay the mandatory fees, those who have not been identified as being participants in the Free and Reduced Meals (FARMs) program by PGCPs, ***are required to pay the fees once registration has been completed.***

Some important additional information that you need to know.

This information will also be helpful to you as you seek admission and registration.

Registration

Bowie State University has three registration categories, they are: 1) graduate degree seeking students, 2) undergraduate degree seeking students, and 3) non-degree students. Students in the Dual Enrollment program are registered as non-degree students. Simply stated, the students in this program are not currently seeking a degree therefore we have to indicate as such in the student information system (PeopleSoft).

The non-degree student category or designation is a temporary one. It is only viable for the term in which a student is registered. Each semester that a student takes classes as a non-degree the student's account in the system has to be activated.

The registration for Dual Enrollment students will always take place within the Office of Continuing Education (CNED). Although a student has a username and password with access to Bulldog Connection, because of the limitations spelled out in the memorandum of understanding with PGCPs, the students registration is monitored in order to be in compliance.

Each semester students must work with the CNED to register. Changes to the selection of classes has to be updated within CNED in order for the required updates with PGCPs.

Registration Periods

Registration for the Spring semester begins during the third week of November. The schedule of classes will be available toward the end of October.

Registration for the Summer and Fall sessions takes place in April. The Schedule of classes will be available at the end of March.

Free and Reduced Meals Program (FARMs)

Students in the Dual Enrollment program who are participants in the Free and Reduced Meals program in their high school will have their fees paid and books purchased by

PGCPS. Participation is verified by PGCPS before it acknowledged and accepted by Bowie.

Books will be purchased from the bookstore by the university and held for pickup in the Bulldog Card office. Picture identification will be required for collection of the books.

Payment of Fees

Make sure that fees associated with your classes have been paid after your registration is complete. The University performs Enrollment Cancellations before the beginning of the semester or session cancelling the enrollment of students if their account reflects monies are owed.

If additional classes are added subsequently, make sure that the additional fees are paid. Faculty may not always check the roster for their class after the first day. You could be dropped during an enrollment cancellation and not be aware until it is too late to be re-registered.

Make sure you pay your fees and check your registration.

If you are a financial aid recipient, the Office of Financial Aid is required by federal statute to recalculate federal financial aid eligibility for students who withdraw (officially or unofficially), are dismissed, or take a leave of absence. As a result all financial aid recipients are subject to review as mandated by the U.S. Department of Education. For further details, please visit link:

http://www.bowiestate.edu/admissions/financial_aid/eligibility/r2t4/

“**NOTE:** Notwithstanding any other provision of this or any other University publication, the University reserves the right to make changes in tuition, fees, and other charges at any time such changes are deemed necessary by the University System of Maryland Board of Regents.”

Dropping a Course

There is a process for dropping a course. Simply to stop attending a course or telling the professor that you no longer want to take the course is **not** officially dropping a course. **You will continue to be held responsible for the payment and/or charges associated with the course.** When deciding to drop the course you should look at the *Refund/Withdrawal Schedule* included in this handbook to see the dates for refund. You should then consult the academic calendar which is located on the website related to the Office of the Registrar.

Using your username and password login to Bulldog Connection and navigate to the section related to Academics. It is in this section that you will be allowed to either drop or withdraw from a course. Follow the instructions provided for removing yourself from the course. It is recommended that you print out a copy of the page which shows that you have removed yourself from the course. Alert the Director of the Dual Enrollment program of this action. You may also contact the Office of Continuing Education for completing the Drop/Withdrawal process.

If you do not follow this process of officially removing yourself from the course you **will** receive a failing grade and you **will** be responsible for full payment for the course.

Transfer of Coursework

Bowie State University is regionally accredited by the Middle States Higher Education Commission. Because of our status, our coursework is acknowledged and accepted anywhere in the world. However, the decision to accept a course for transfer is the responsibility and decision of the other institution. Higher Education institutions make the decision on whether or not to accept a course within their intuitions. They may choose to not

accept a course because it does not fit in with their curriculum or ideology or they may want their students to only have the experience and exposure to the curriculum they have developed and offer.

In most cases, particularly when it involves a course required for the major, a grade of 'C' or better is required for transfer. The grade of 'D' is usually not acceptable for transfer and never the grade of 'F'.

Registration and Payment

At the time of registration, those students who are not in the Free and Reduced Meals (FARMS) program, are required to pay the mandatory fees associated with their registered classes. The University will perform an Enrollment Cancellation to cancel the enrollment of all students who owe for fees. The cost of tuition will remain visible on your bill until PGCPs pays the invoice. This is because you, as a student, have generated the bill for tuition. There are codes in the financial system which will not allow you to be canceled during the Enrollment Cancellation if you have paid the bill for the fees.

If you are dropped from a course during an Enrollment Cancellation, there is no guarantee a space will remain available. The classes which are listed on the Dual Enrollment approval list are in high demand, and in many cases reach full capacity. Students wait for the Enrollment Cancellation at time to obtain a seat.

It is important that you pay attention to the University calendar each year. The dates for registration for the next term or semester are listed. Although the Office of Continuing Education will send out by email information on the upcoming registration process as well as other informational items, it is important that you remain aware of the University Calendar.

Residency

Bowie State University is a member of the University System of Maryland (USM). As a State supported institution, we are required to follow the USM Board of Regents policies, including the one on residency.

An individual has to be a resident of Maryland for at least 12 consecutive months to fulfill part of the requirements for residency. The policy can be viewed at the following link:

<http://www.usmd.edu/regents/bylaws/SectionVIII/VIII270.html?t=print.php>

Once the decision of residency is made during the application process, your rate of tuition will be determined. Out of State students pay more. If you have any question about the policy, please follow the link or obtain a copy from the Office of Continuing Education.

You can obtain this number from Follett in the store or on their website at efollett.com. The books ISBN number a student can compare prices with other textbook vendors.

Free and Reduced Meals Program (FARMs)

The Free and Reduced meals program is a federal program which subsidizes the meals students receive at the school. When the Dual Enrollment program was created by Prince Georges County Public Schools (PGCPS) students in the FARMs programs were designated to receive their mandatory fees associated with their tuition in their college and the purchase of their books to be paid for by PGCPS.

When admission is conducted, a code is placed into the student information systems which indicates participation in both the Dual Enrollment program and with their participation in the FARMs program. These codes alert the Office of Student Accounts of their status in impacts their financial status. Although the codes will maintain their registration, the bill for classes will remain on their account until PGCSPS makes payment.

Books for those students in the FARMs program can be picked up in the Bulldog Card Office which is located in the Student Center. The contact is Ms. Jatina Cooke.

Financial Aid

Financial Aid is not available to Non-Degree and Dual Enrollment Students. You must be in a degree seeking program in order to apply for and receive financial aid.

Disability Support Services

The mission of Disability Support Services (DSS) is to ensure that students with disabilities have full access to all programs and services at Bowie State University.

The office coordinates services that impact directly students who have disabilities. These services are based on the specific needs of individuals according to their disabilities. Services consist of, but are not limited to, notification to professors regarding recommended accommodations for courses, extended time on tests, note takers, scribes and readers, taped texts, alternative testing, consultation with professors, physicians, psychologists and other specialists, vocational rehabilitation referrals, and sign language interpreters.

This office also seeks to educate faculty, staff, and administrators regarding disabilities in an effort to create greater sensitivity towards individuals who are disabled. Withdrawals and Refunds

Students wishing to receive a course refund are responsible for officially withdrawing. You can drop or withdraw yourself from your classes by signing into PeopleSoft. The amount of refund is determined by the date the withdrawal procedure begins. Students withdrawing from the University after completing registration are not entitled to the refund of any fees.

Refunds for all courses offered whether 16-week, 8-week, weekend or workshop format shall be awarded based upon a schedule established by the Office of Student Accounts for each semester. There is a refund schedule is located at this link:

Financial Requirements for Registration

All students who register for classes incur a financial obligation to the Bowie State University. Students are responsible for all charges incurred at the University. Failure to attend classes **does not** constitute withdrawal from the institution or a class. Students must formally withdraw from the University or a class through their Bulldog Connection account or by contacting the Office of Continuing Education. Any adjustment in charges will follow the policy presented in the *Schedule of Classes* (www.bowiestate.edu).

Returning students will not be permitted to register for a subsequent semester until all financial obligations, including current semester fees, parking violations, library fines, and any other outstanding charges, have been paid. Account balances must be cleared before students will be allowed to participate in future registrations and graduation or to receive transcripts or diplomas. Only the Director of Student Accounts may issue a waiver to maintain the student's registration when payment requirements have not been satisfied or allow a student to register with a prior outstanding balance.

Cancellation of a student's registration **may occur** if the bill is not paid in full or if approved arrangements have not been made to cover the outstanding balance. Bill due dates and class cancellation dates are published on the University website.

(www.bowiestate.edu.) Failure to receive a billing statement does not relieve the student of the payment obligation.
