**A passing score on the Bowie State University
English Proficiency Examination
is a **GRADUATION REQUIREMENT**
for all
undergraduate students, all transfer, and all
second-degree and certification students.**

What must you do to take this examination?

You must register for the examination in the Office of the Registrar by the last day of the *Add/Drop* period and you must bring to the examination two #2 pencils, two 8 1/2 x 11" blue books (available in most college bookstores and not sold at the test site), and a form of identification with a photograph. You must have received a "C" or better in ENGL 101 and ENGL 102 (or transferred equivalent to BSU) to sit for this examination.

You will have two hours* to complete the handwritten examination and will be prohibited from using a dictionary, thesaurus, or prepared materials or aides. You will be provided several topics and asked to write a well-developed essay with an introductory paragraph, which includes a thesis, *at least* two to four paragraphs of support, and a concluding paragraph. The elements of the five-paragraph essay you were required to write for English 102 will suffice.

What support services are available to you?

If you anticipate difficulty, please visit the Computer-Assisted Writing Center in the Department of English and Modern Languages or Student Support Services in the Student Success and Retention Center to seek assistance.

*You will, however, be asked to set aside three hours for the examination, an hour of which is required to seat students.

**Check the academic calendar for dates, times and locations
of the English Proficiency Test**

**September 15 – 16th
November 3, 7, 5th**

The EPE Exam will not be given during the mini-semester.

Institutional Placement Testing and Academic Advisement are services provided to assist students in transitioning to college.

All first-year undergraduate and transfer students who are required to take the Placement Examination must do so prior to attending The New Student Orientation Conference.

Prepare for Life

INSTITUTIONAL PLACEMENT TESTING

All first-year undergraduate students are required to take the Reading, English, and Mathematics Placement Examination.

All transfer students who do not transfer English composition with a "C" or better must take the English Placement Examination.

All transfer students whose transfer evaluation does not indicate credits for MATH 127 or a higher mathematics course must take the Mathematics Placement Examination.

In-state transfer students who have an associate degree are not required to take a placement test.

For additional information, please contact the Office of Testing Services at 301-860-3295.

ACADEMIC ADVISEMENT

All first-year students are required to meet with an Academic Advisor to develop a two-year educational plan and select courses. Students majoring in Nursing, Social Work, Computer Science and English are not advised in the Academic Advisement Center, and must go directly to their respective academic department for advisement, after placement testing and academic orientation.

The Academic Advisement Center advises all new, transfer and returning students with less than (<) 60 credits, except Nursing, Social Work, Computer Science and English majors.

The Academic Advisement Center staff will assist students with the completion of General Education and Institutional Requirements in preparation for a seamless transition to the major department at the completion of 59 credits.

Undergraduate students must declare a major by the start of the sophomore year, or completion of 30 credits.

For additional information, please contact the Academic Advisement Center at **301-860-4072**.

ADV HOLD – SERVICE INDICATOR

ACADEMIC ADVISEMENT

UNDERGRADUATE STUDENTS

Academic holds will not be removed by the Academic Advisor until students are advised each semester. The Advising Center is located in the Center for Business and Graduate Studies.

All transfer and returning students who have declared a major must report to their respective academic department for advising. Each Department Chair will direct his/her majors to assigned faculty advisors who will ensure that their advisees are following prescribed programs of study.

More detailed information about academic advisement can be obtained in the academic departments and unknown majors can contact OTS at 301-860-3295.

Review your Student Aid Report (SAR). Provide accurate email address on your FAFSA application. Department of Education will email Student Aid Report for your review via a link through the email. Self-reported information on the FAFSA is cross-referenced with several databases including the Social Security Administration, Selective Service Administration, and the National Student Loan Data System (NSLDS). The SAR will include the Estimated Family Contribution (EFC) and indicate any missing or inconsistent information. You are responsible for making any necessary corrections. If a student submits an incomplete application, the US Department of Education will be unable to determine financial aid eligibility. You will not be eligible until financial aid eligibility is determined. You can make corrections to your FAFSA online at fafsa.ed.gov.

Report all expected scholarship funds. Scholarship checks must be forwarded to the Office of Financial Aid and should include the student's name and student ID number.

Complete verification if necessary. If Department of Education or Financial Aid Office selects your FAFSA for verification you must submit additional verification information to the Office of the Financial Aid upon request. Requests are communicated via Bulldog Connection account and mailed letters. The documents include but are not limited to, federal tax documents, verification worksheets, and proof of citizenship.

Complete the online entrance interview if you are a first time borrower at BSU. You can log on at www.studentloans.gov.

Receive a Financial Aid Award Notification. The Financial Aid Award notification will direct you to go on line via self-service to review your offer of assistance. The award is subject to change pending verification of enrollment status, and other changes in status. Review your offers and decide which awards to accept and/or decline. Complete the Master Promissory Note (MPN) if you are a first-time loan borrower at BSU at www.studentloans.gov.

Enrollment Requirements and Award Adjustments

Students must be enrolled at least half time (6 credits) to be eligible to receive financial aid. Students eligible for a Federal Pell Grant must be enrolled in at least three credit hours. Adjustments will be made to student accounts pending any change in the student's status. Satisfactory Academic Progress (SAP), the Office of Financial Aid is required by federal regulations to monitor the progress of financial aid recipients. Financial aid recipients must comply with the standards for Satisfactory Academic Progress (SAP) as a condition of continued eligibility for financial aid. Student's academic records will be reviewed at the end of each academic year to determine whether the student has maintained SAP. Please note that financial aid SAP requirements differ from University academic satisfactory progress policies. See "Academic Regulations".

BOWIE CARD INFORMATION

If you have a credit balance on your validated bill, you may cover book expense with your Bowie Card up to \$1000.00 per semester. Students will be allowed to have monies added to their Bowie Card only once per semester. Additional information on the procedure for applying funds to your card can be found on line via Bulldog Connection.

Common Errors-Students can easily avoid by using these few helpful hints:

1. Complete the correct application. Students must apply for financial aid every year. They often complete the application for the wrong year. Complete the **2016-2017 FAFSA**.
2. Complete the FAFSA by March 1 deadline to be eligible for valuable scholarships and grants.
3. Inadvertently omitting or reversing numbers, such as your Social Security number, or date of birth, will cause an error and delay the processing of your FAFSA.
4. Review your Student Aid Report (SAR) for any missing or incomplete information that caused your application to be rejected. Follow the directions on the SAR to update or correct information.
5. Include BSU as one of the schools you would like to receive your application.

BSU school code is 002062

Loan Borrower Entrance Interview:

All Perkins and Direct Loan recipients must complete an entrance interview prior to receiving their loans. Perkins Loan recipients must schedule an entrance interview with the Perkins Loan Coordinator located in the Controller's Office. The entrance interview for Direct Loan Borrowers is available online at www.studentloans.gov. The entrance interview will include information on loan interest rates, grace periods, penalty charges and fees, borrowers' rights and responsibilities, deferments and cancellation or postponement procedures, consolidation issues, and any other items or conditions of the loan. Return of Title IV Financial Aid Policies.

Financial aid is awarded under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of the financial aid funds that the student was originally awarded. Up through the 60% point in each payment period, a pro rata schedule is used to determine the amount of financial aid funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the financial aid funds.

ACADEMIC PROGRESS

Undergraduate Students

GRADE POINT AVERAGE (GPA)

Requirements for satisfactory academic progress are based solely upon grade point average. This is computed by dividing the total number of quality points accumulated in courses for which a grade of A, B, C, D, or F has been assigned by the total number of credits attempted in those courses. Each letter grade has a numerical value: A = 4; B = 3; C = 2; D = 1; F = 0, FN = 0. Courses for which a grade of "P", "US", "W", "I", has been assigned are not included in computing the G.P.A. Students who fail to attend a class will be given grades of FN.

ACADEMIC PERFORMANCE

A student whose cumulative grade point average is at least 2.0 will be considered to be making satisfactory academic progress at Bowie State University. Within any given semester, a student who completes 12 or more credits (excluding grades of "P" and "NG") with a semester grade point average of 3.5 or higher will be awarded academic honors.

Students with a cumulative grade point average of less than 2.0 will be placed into one of three categories: **unsatisfactory performance, academic warning, or academic dismissal**. Their academic progress will be monitored during the semester.

Students displaying less than satisfactory academic progress will be advised to seek tutorial assistance and/or academic or personal counseling services.

Mid-semester examination results are provided to all undergraduate students and are available for academic advisors and departments as an indicator of academic progress.

The cumulative grade point average that defines each of these categories varies according to the credit level, as noted:

UNSATISFACTORY PERFORMANCE

Students within this category at the end of any semester will be urged, in writing, to seek additional assistance from an academic advisor.

ACADEMIC WARNING

Students will be notified in writing to consult with an academic advisor prior to the beginning of the next semester. Students who do not meet with an advisor will not be allowed to drop or add courses, or to register for the following semester. In addition, students receiving an academic warning will be required to report to the Academic Advisement Center, located in the lower level of the Library.

ACADEMIC DISMISSAL

Depending on the credit level attempted, students will be academically dismissed at the end of any semester when their cumulative grade point average falls into the academic dismissal range.

Graduate Students

STANDARDS OF ACADEMIC WORK

In order to remain in good standing, candidates for the master's degree must maintain a 3.00 GPA after being advanced to candidacy. If the cumulative average falls below 3.00, the student will be placed on probation. After completing nine additional hours of work, if the cumulative average returns to the acceptable level of 3.00, the student will be restored to good standing. A student on probation will not be permitted to take the Comprehensive Examination, Seminar, or Practicum. Required courses in which the candidate earns a grade of "F" must be repeated. Students who lack sufficient academic aptitude or who fail to show evidence of serious purpose may be requested by the Graduate Dean to withdraw from the Graduate School.

DISMISSAL POLICY

A graduate student whose cumulative grade point average falls below 3.0 is placed on academic probation; any student on academic probation is permitted to take a maximum of nine credit hours to raise the GPA to 3.0; **failure to obtain a 3.0 GPA will result in academic dismissal.**

The duration of the dismissal is one semester. The period of dismissal for a graduate nursing student is one year. In order to be considered for re-admission, the student must petition the Dean of the School of Graduate Studies. The seven-year time limitation for degree completion shall include the period of dismissal. A student dismissed for academic dishonesty may not re-apply.
