A passing score on the Bowie State University English Proficiency Examination is a GRADUATION REQUIREMENT for all undergraduate students, all transfer, and all second-degree and certification students.

What must you do to take this examination?
You must register for the examination in the Office of the Registrar by the last day of the Add/Drop period and you must bring to the examination two #2 pencils, two 8 1/2 x 11" blue books (available in most college bookstores and not sold at the test site), and a form of identification with a photograph. You must have received a “C” or better in ENGL 101 and ENGL 102 (or transferred equivalent to BSU) to sit for this examination.

You will have two hours* to complete the handwritten examination and will be prohibited from using a dictionary, thesaurus, or prepared materials or aides. You will be provided several topics and asked to write a well-developed essay with an introductory paragraph, which includes a thesis, at least two to four paragraphs of support, and a concluding paragraph. The elements of the five-paragraph essay you were required to write for English 102 will suffice.

What support services are available to you?
If you anticipate difficulty, please visit the Computer-Assisted Writing Center in the Department of English and Modern Languages or Student Support Services in the Student Success and Retention Center to seek assistance.

*You will, however, be asked to set aside three hours for the examination, an hour of which is required to seat students.

Check the academic calendar for dates, times and locations of the English Proficiency Test

September 15 – 16th
November 3, 7, 5th

The EPE Exam will not be given during the mini-semester.
Institutional Placement Testing and Academic Advisement are services provided to assist students in transitioning to college.

All first-year undergraduate and transfer students who are required to take the Placement Examination must do so prior to attending The New Student Orientation Conference.

INSTITUTIONAL PLACEMENT TESTING

All first-year undergraduate students are required to take the Reading, English, and Mathematics Placement Examination.

All transfer students who do not transfer English composition with a “C” or better must take the English Placement Examination.

All transfer students whose transfer evaluation does not indicate credits for MATH 127 or a higher mathematics course must take the Mathematics Placement Examination.

In-state transfer students who have an associate degree are not required to take a placement test.

For additional information, please contact the Office of Testing Services at 301-860-3295.

ACADEMIC ADVISEMENT

All first-year students are required to meet with an Academic Advisor to develop a two-year educational plan and select courses. Students majoring in Nursing, Social Work, Computer Science and English are not advised in the Academic Advisement Center, and must go directly to their respective academic department for advisement, after placement testing and academic orientation.

The Academic Advisement Center advises all new, transfer and returning students with less than (<) 60 credits, except Nursing, Social Work, Computer Science and English majors.

The Academic Advisement Center staff will assist students with the completion of General Education and Institutional Requirements in preparation for a seamless transition to the major department at the completion of 59 credits.

Undergraduate students must declare a major by the start of the sophomore year, or completion of 30 credits.

For additional information, please contact the Academic Advisement Center at 301-860-4072.

**IMPORTANT FINANCIAL AID DEADLINES**

**June 1** The Financial Aid Office must receive your Official FAFSA in order to determine your anticipated Financial Aid and extend an offer prior to the start of Fall 2016 semester. If you are selected for verification, you are highly advised to submit all required documentation by this date for early review and processing.

**FINANCIAL AID PROCEDURES CHECKLIST**

This checklist will help you with the financial aid application process.

1. Complete the free application for federal student aid (FAFSA) for 2016–2017. You must complete and submit the FAFSA online at [FAFSA.ed.gov](http://FAFSA.ed.gov). Be as accurate as possible. Inaccurate information could change financial aid award amounts and delay timely processing. Bowie State University highly recommends that you utilize the option of IRS Data Retrieval Tool during the initial filing or when subsequent corrections are made to your FAFSA. This option provides the fastest, easiest, and most secure solution for meeting certain Income Statement verification requirements.

2. Complete the online entrance interview if you are a first-time borrower at [www.studentloans.gov](http://www.studentloans.gov). The entrance interview will include the Estimated Family Contribution (EFC) and indicate any missing or inconsistent information. You are responsible for making any necessary corrections. If a student submits an incomplete application, the US Department of Education will be unable to determine financial aid eligibility. You will not be eligible until financial aid eligibility is determined. You can make corrections to your FAFSA online at [fasa.ed.gov](http://fasa.ed.gov).

3. Inadvertently omitting or reversing numbers, such as your Social Security number, or date of birth, will cause an error and delay the processing of your FAFSA.

4. Review your Student Aid Report (SAR). Provide accurate email address on your FAFSA application. Department of Education will email Student Aid Report for your review via a link through the email. Self-reported information on the FAFSA is cross-referenced with several databases including the Social Security Administration, Selective Service Administration, and the National Student Loan Data System (NSLDS). The SAR will include the Estimated Family Contribution (EFC) and indicate any missing or inconsistent information. You are responsible for making any necessary corrections. If a student submits an incomplete application, the US Department of Education will be unable to determine financial aid eligibility. ACADEMIC PROGRESS

Undergraduate Students

GRADE POINT AVERAGE (GPA)
Requirements for satisfactory academic progress are based solely upon grade point average. This is computed by dividing the total number of quality points accumulated in courses for which a grade of A, B, C, D, or F has been assigned by the total number of credits attempted in those courses. Each letter grade has a numerical value: A = 4; B = 3; C = 2; D = 1; F = 0, FN = 0. Courses for which a grade of “P”, “US”, “W”, “I”, has been assigned are not included in computing the G.P.A. Students who fail to attend a class will be given grades of FN.

ACADEMIC PERFORMANCE
A student whose cumulative grade point average is at least 2.0 will be considered to be making satisfactory academic progress at Bowie State University. Within any given semester, a student who completes 12 or more credits (excluding grades of “P” and “NG”) with a semester grade point average of 3.5 or higher will be awarded academic honors. Students with a cumulative grade point average of less than 2.0 will be placed into one of three categories: unsatisfactory performance, academic warning, or academic dismissal. Their academic progress will be monitored during the semester.

Students displaying less than satisfactory academic progress will be advised to seek tutorial assistance and/or academic or personal counseling services.

Mid-semester examination results are provided to all undergraduate students and are available for academic advisors and departments as an indicator of academic progress.

The cumulative grade point average that defines each of these categories varies according to the credit level, as noted:

UNSATISFACTORY PERFORMANCE
Students within this category at the end of any semester will be urged, in writing, to seek additional assistance from an academic advisor.

ACADEMIC WARNING
Students will be notified in writing to consult with an academic advisor prior to the beginning of the next semester. Students who do not meet with an advisor will not be allowed to drop or add courses, or to register for the following semester. In addition, students receiving an academic warning will be required to report to the Academic Advisement Center, located in the lower level of the Library.

ACADEMIC DISMISSAL
Depending on the credit level attempted, students will be academically dismissed at the end of any semester when their cumulative grade point average falls into the academic dismissal range.

Graduate Students

STANDARDS OF ACADEMIC WORK
In order to remain in good standing, candidates for the master's degree must maintain a 3.00 GPA after being advanced to candidacy. If the cumulative average falls below 3.00, the student will be placed on probation. After completing nine additional hours of work, if the cumulative average returns to the acceptable level of 3.00, the student will be restored to good standing. A student on probation will not be permitted to take the Comprehensive Examination, Seminar, or Practicum. Required courses in which the candidate earns a grade of “F” must be repeated. Students who lack sufficient academic aptitude or who fail to show evidence of serious purpose may be requested by the Graduate Dean to withdraw from the Graduate School.

DISMISSAL POLICY
A graduate student whose cumulative grade point average falls below 3.0 is placed on academic probation; any student on academic probation is permitted to take a maximum of nine credit hours to raise the GPA to 3.0; failure to obtain a 3.0 GPA will result in academic dismissal.

The duration of the dismissal is one semester. The period of dismissal for a graduate nursing student is one year. In order to be considered for re-admission, the student must petition the Dean of the School of Graduate Studies. The seven-year time limitation for degree completion shall include the period of dismissal. A student dismissed for academic dishonesty may not re-apply.
