DIT Poster Printing Services (DPPS)

DIT Poster Printing Services (**DPPS**) provides large format poster printing services for Bowie State University staff and faculty only (with valid BSU ID).

All files submitted for printing must be in PDF format.

The dimensions of the poster must not exceed 42 inches' x 60 inches.

Poster files 15MB or smaller can be emailed to helpdesk@bowiestate.edu. Please include your full name, contact information and specify the dimensions of the poster you would like printed.

DIT Poster Printing Services (**DPPS**) is not responsible for spelling or graphics errors on submitted files. You will be charged for the original order and any re-prints. ***Note that all poster printing is done through a PC. At times there can be MAC/PC compatibility issues.***

DPPS will not print posters with color-saturated backgrounds. We reserve the right to return a poster for revision if bright or dark colors account for a significant portion of the poster.

Please allow 1-2 business days for your poster to be printed. A DIT staff member will let you know via email when your poster is ready to pick up.
