MEMORANDUM OF UNDERSTANDING
DUAL TO DEGREE PROGRAM
between
PRINCE GEORGE’S COMMUNITY COLLEGE
and
BOWIE STATE UNIVERSITY

Introduction

This document creates a Memorandum of Understanding (MOU) between Prince George’s Community College (PGCC) and Bowie State University (BSU). The purpose of this MOU is to: 1) enable PGCC and BSU to work collaboratively to support and provide services to dually enrolled students in the Dual and Concurrent Enrollment Programs at PGCC both while they are in high school and through the completion of an associate’s degree at PGCC; and 2) to encourage their transfer to BSU after completing an associate’s degree at PGCC. The expectation of both PGCC and BSU is that the Dual to Degree Program will provide students with the services they need to become successful college students and pursue their higher education goals. This Memorandum of Understanding is entered into as of the date of the last signature herein.

Dual to Degree is a program designed to transition Dual and Concurrent Enrollment students into an associate degree program at PGCC with transfer to four-year partner institutions. Dual enrollment is defined as a student who is simultaneously enrolled in both a public high school and a public college. Concurrent enrollment is defined as a student who is simultaneously enrolled in both a private high school or homeschool and a public college. The credits earned in the college may also count as credit on the high school transcript. This could include credits that satisfy high school graduation requirements. The term “dually enrolled students” will be all encompassing and refer to students in both the Dual and Concurrent Enrollment Programs at PGCC.

BSU and PGCC believe that Dual to Degree prepares students for success in college and in transitioning by providing:

- Personalized academic advising and transition planning events and workshops;
- Membership in PGCC’s Success Squad Ambassadors Program; and
- Exposure to four-year institutions with a direct point of contact, campus tours, and other events.

The cooperative program established by this MOU will be governed by the policies and procedures of BSU and PGCC, as well as applicable state and federal laws. This MOU does not preclude previous agreements between BSU and PGCC nor Maryland’s public colleges’ and universities’ statewide policies on transfer; its intention is to provide additional opportunities to Dual to Degree students.

Terms of the Agreement
The term of this agreement shall be for a one-year period, commencing on the date this MOU is entered into and ending on August 1, 2017, unless terminated earlier as provided in this agreement. Thereafter, this agreement shall be automatically renewed for successive periods of one (1) year each. The Parties agree that any termination of the agreement must be executed ninety (90) days prior to the expiration of any school year.
