English Proficiency Exam Workshops

Session 2!

Prepare for the EPE by attending a Writing Center EPE Workshop. The content of each Essay Workshop is the same. Choose one of the four times that works best for you.

Attending an EPE Essay Workshop is **strongly recommended** for transfer students and before any student takes the Practice EPE.

Make an appointment with the Writing Center at <http://bowiestate.mywconline.com> to **review your Practice EPE**. Get feedback on your writing!
