English Proficiency Examination
is a graduation requirement
for all continuing undergraduate students, all transfer, and all second-degree students who were admitted before FALL 2017.

Note:
Effective FALL 2017, the English Proficiency Examination will no longer be a graduation requirement for students with the admit term of FALL 2017.

What must you do to take this examination?
You must register for the examination in the Office of the Registrar by the last day of the Add/Drop period and you must bring to the examination two #2 pencils, two 8 1/2 x 11” blue books (available in most college bookstores and not sold at the test site), and a form of identification with a photograph. You must have received a “C” or better in ENGL 101 and ENGL 102 (or transferred equivalent to BSU) to sit for this examination.

You will have two hours* to complete the handwritten examination and will be prohibited from using a dictionary, thesaurus, or prepared materials or aides. You will be provided several topics and asked to write a well-developed essay with an introductory paragraph, which includes a thesis, at least two to four paragraphs of support, and a concluding paragraph. The elements of the five-paragraph essay you were required to write for English 102 will suffice.

What support services are available to you?
If you anticipate difficulty, please visit the Computer-Assisted Writing Center in the Department of English and Modern Languages or Student Support Services in the Student Success and Retention Center to seek assistance.

*You will, however, be asked to set aside three hours for the examination, an hour of which is required to seat students.

Check the academic calendar for dates, times and locations of the English Proficiency Exam

September 21, 22, and 23

ACADEMIC ADVISEMENT

UNDERGRADUATE STUDENTS
Before registering for any classes, first-year undergraduate students who have not already declared a major and all students whose GPA is less than 2.00 must report to the Academic Advising Center for academic advising. The Advising Center is located in the Center for Business and Graduate Studies 2nd floor.

ACADEMIC PROGRESS

Undergraduate Students

GRADE POINT AVERAGE (GPA)

Requirements for satisfactory academic progress are based solely upon grade point average. This is computed by dividing the total number of quality points accumulated in courses for which a grade of A, B, C, D, or F has been assigned by the total number of credits attempted in those courses. Each letter grade has a numerical value: A = 4; B = 3; C = 2; D = 1; F = 0. Courses for which a grade of “P”, “US”, “W”, “I”, or “NG” has been assigned are not included in computing the G.P.A.

ACADEMIC PERFORMANCE

A student whose cumulative grade point average is at least 2.0 will be considered to be making satisfactory academic progress at Bowie State University. Within any given semester, a student who completes 12 or more credits (excluding grades of “P” and “NG”) with a semester grade point average of 3.5 or higher will be awarded academic honors.

Students with a cumulative grade point average of less than 2.0 will be placed into one of three categories: unsatisfactory performance, academic warning, or academic dismissal. Their academic progress will be monitored during the semester.

Students displaying less than satisfactory academic progress will be advised to seek tutorial assistance and/or academic or personal counseling services.

Mid-semester examination results are provided to all undergraduate students and are available for academic advisors and departments as an indicator of academic progress.

The cumulative grade point average that defines each of these categories varies according to the credit level, as noted:

UNSATISFACTORY PERFORMANCE

Students within this category at the end of any semester will be urged, in writing, to seek additional assistance from an academic advisor.

ACADEMIC WARNING

Students will be notified in writing to consult with an academic advisor prior to the beginning of the next semester. Students who do not meet with an advisor will not be allowed to drop or add courses, or to register for the following semester. In addition, students receiving an academic warning will be required to report to the Student Success and Retention Center, CLT 3rd floor.

ACADEMIC DISMISSAL

Depending on the credit level attempted, students will be academically dismissed at the end of any semester when their cumulative grade point average falls into the academic dismissal range.

After attempting 45 or more credits, any student who receives an academic warning for two consecutive semesters will be automatically dismissed.

Graduate Students

STANDARDS OF ACADEMIC WORK

In order to remain in good standing, candidates for the master's degree must maintain a 3.00 GPA after being advanced to candidacy. If the cumulative average falls below 3.00, the student will be placed on probation. After completing nine additional hours of work, if the cumulative average returns to the acceptable level of 3.00, the student will be restored to good standing. A student on probation will not be permitted to take the Comprehensive Examination, Seminar, or Practicum. Required courses in which the candidate earns a grade of "F" must be repeated. Students who lack sufficient academic aptitude or who fail to show evidence of serious purpose may be requested by the Graduate Dean to withdraw from the Graduate School.

DISMISSAL POLICY

A graduate student whose cumulative grade point average falls below 3.0 is placed on academic probation; any student on academic probation is permitted to take a maximum of nine credit hours to raise the GPA to 3.0; failure to obtain a 3.0 GPA will result in academic dismissal.

The duration of the dismissal is one semester. The period of dismissal for a graduate nursing student is one year. In order to be considered for re-admission, the student must petition the Dean of the School of Graduate Studies. The seven-year time limitation for degree completion shall include the period of dismissal. A student dismissed for academic dishonesty may not re-apply.
