Full-time fellows must register for a minimum of nine degree credits in each semester and part-time fellows for at least three degree credits each semester.

Fellows are selected by the HBGI Fellowship Committee.

AWARDS

Awards may include a fellowship award, tuition, and fees. Current benefits for a full-time fellowship include a fellowship, a nine-credit tuition scholarship per semester and fees. Part-time fellows receive a tuition scholarship and fees.

RESPONSIBILITIES

HBGI fellows are responsible for a variety of activities that include research, conference presentations, and publications.

TERMS AND CONDITONS

As an HBGI fellow, you must remain in good academic standing and make satisfactory progress toward your degree. Your effort during the tenure of this fellowship should be devoted to carrying out activities required by your program. This award is given with the expectation that you are or will be a full-time or part-time student for its duration, immersed in your graduate program.

Accordingly,

1. You must register for and maintain full-time status each semester if you are a full-time fellow
2. You may not engage in any remunerated activities either on or off campus if you are a full time fellow.
3. You must maintain a G.P.A of 3.25 or higher. If, at the end of the semester, your G.P.A. is below the required level, your fellowship may be discontinued.

Please note that submitting an application does not guarantee an award.
