**Hall/Room Assignments**

ORL will begin the assignment process July 7, 2107 for Spring 2017 commuter students and re-admit students. This process will continue through the second week of the semester **AS SPACE ALLOWS.** Applications for students who resided in CMRC for the Spring 2017 will not be reviewed until Mid-August, if space permits. As space allows, assignments will only be made for students who are enrolled in classes for the Fall 2017 semester and financially cleared with the University. ORL will contact you by email if you receive an assignment.

If you have any questions regarding housing, please contact ORL at the telephone number and/or email address listed in this newsletter.

**Please Note: If you apply to live in CMRC and receive an assignment you must cancel your application for traditional housing. Students cannot have a lease and a contract simultaneously.**
