A passing score on the Bowie State University English Proficiency Examination is a graduation requirement for all undergraduate students, all transfer, and all second-degree and certification students.

What must you do to take this examination?
You must register for the examination in the Office of the Registrar by the last day of the Add/Drop period and you must bring to the examination two #2 pencils, two 8 1/2 x 11” blue books (available in most college bookstores and not sold at the test site), and a form of identification with a photograph. You must have received a “C” or better in ENGL 101 and ENGL 102 (or transferred equivalent to BSU) to sit for this examination.

You will have two hours* to complete the handwritten examination and will be prohibited from using a dictionary, thesaurus, or prepared materials or aides. You will be provided several topics and asked to write a well-developed essay with an introductory paragraph, which includes a thesis, at least two to four paragraphs of support, and a concluding paragraph. The elements of the five-paragraph essay you were required to write for English 102 will suffice.

What support services are available to you?
If you anticipate difficulty, please visit the Computer-Assisted Writing Center in the Department of English and Modern Languages or Student Support Services in the Student Success and Retention Center to seek assistance.

*You will, however, be asked to set aside three hours for the examination, an hour of which is required to seat students.

Check the academic calendar for dates, times and locations of the English Proficiency Exam

**Common Errors-Students can easily avoid by using these few helpful hints:**

1. Complete the correct application. Students must apply for financial aid every year. They often complete the application for the wrong year. Complete the 2017-2018 FAFSA for Fall 2017/Spring 2018.

2. Complete the FAFSA by the deadline. You may miss out on valuable scholarships/grant resources due to missing deadlines.

3. Inadvertently omitting or reversing numbers, such as your Social Security number, or date of birth, will cause an error and delay the processing of your FAFSA.

4. Review your Student Aid Report (SAR) for any missing or incomplete information that caused your application to be rejected. Follow the directions on the SAR to update or correct information.

5. Include BSU as one of the schools you would like to receive your application.

**BSU school code is 002062**

**Loan Borrower Entrance Interview:**

All first time Perkins and Direct Loan recipients at BSU must complete an entrance interview prior to receiving their loans. Perkins Loan recipients must schedule an entrance interview with the Perkins Loan Coordinator located in the Controller’s Office. UNDERGRADUATE STUDENTS
GRADE POINT AVERAGE (GPA)
Requirements for satisfactory academic progress are based solely upon grade point average. This is computed by dividing the total number of quality points accumulated in courses for which a grade of A, B, C, D, or F has been assigned by the total number of credits attempted in those courses. Each letter grade has a numerical value: A = 4; B = 3; C = 2; D = 1; F = 0. Courses for which a grade of "P", "US", "W", "I", or "NG" has been assigned are not included in computing the G.P.A.

ACADEMIC PERFORMANCE
A student whose cumulative grade point average is at least 2.0 will be considered to be making satisfactory academic progress at Bowie State University. Within any given semester, a student who completes 12 or more credits (excluding grades of "P" and "NG") with a semester grade point average of 3.5 or higher will be awarded academic honors.

Students with a cumulative grade point average of less than 2.0 will be placed into one of three categories: unsatisfactory performance, academic warning, or academic dismissal. Their academic progress will be monitored during the semester.

Students displaying less than satisfactory academic progress will be advised to seek tutorial assistance and/or academic or personal counseling services.

Mid-semester examination results are provided to all undergraduate students and are available for academic advisors and departments as an indicator of academic progress.

The cumulative grade point average that defines each of these categories varies according to the credit level, as noted:

UNSATISFACTORY PERFORMANCE
Students within this category at the end of any semester will be urged, in writing, to seek additional assistance from an academic advisor.

ACADEMIC WARNING
Students will be notified in writing to consult with an academic advisor prior to the beginning of the next semester. Students who do not meet with an advisor will not be allowed to drop or add courses, or to register for the following semester. In addition, students receiving an academic warning will be required to report to the Student Success and Retention Center, CLT 3rd floor.

ACADEMIC DISMISSAL
Depending on the credit level attempted, students will be academically dismissed at the end of any semester when their cumulative grade point average falls into the academic dismissal range.

After attempting 45 or more credits, any student who receives an academic warning for two consecutive semesters will be automatically dismissed.

GRADUATE STUDENTS
STANDARDS OF ACADEMIC WORK
In order to remain in good standing, candidates for the master's degree must maintain a 3.00 GPA after being advanced to candidacy. If the cumulative average falls below 3.00, the student will be placed on probation. After completing nine additional hours of work, if the cumulative average returns to the acceptable level of 3.00, the student will be restored to good standing. A student on probation will not be permitted to take the Comprehensive Examination, Seminar, or Practicum. Required courses in which the candidate earns a grade of "F" must be repeated. Students who lack sufficient academic aptitude or who fail to show evidence of serious purpose may be requested by the Graduate Dean to withdraw from the Graduate School.

DISMISSAL POLICY
A graduate student whose cumulative grade point average falls below 3.0 is placed on academic probation; any student on academic probation is permitted to take a maximum of nine credit hours to raise the GPA to 3.0; failure to obtain a 3.0 GPA will result in academic dismissal.

The duration of the dismissal is one semester. The period of dismissal for a graduate nursing student is one year. In order to be considered for re-admission, the student must petition the Dean of the School of Graduate Studies. The seven-year time limitation for degree completion shall include the period of dismissal. A student dismissed for academic dishonesty may not re-apply.
