Never Reset Your Password before?

This document was created for those who will need to reset their password from the generic password. The generic password was provided in the Admissions Letter which all first time students receive. Please be advised BSU has adopted the Multiple Sign-on (MSO) functionality. When a student changes their password through the password portal the password chosen will allow access to multiple software systems. This function will allow students to use the same password to authenticate the following systems: Blackboard, Bulldog and Student Email (Office 365)

Multiple Sign-on (MSO) defined: As different applications and resources support different authentication mechanisms, multiple sign-on must internally translate credentials for the different mechanisms, from that used for initial authentication. This will allow the user to use the same password to authenticate several systems.

Before you start, please do the following:

- Close all open browsers and start a new browser session.
- Please be sure to confirm you are running Internet Explorer (IE) in compatibility mode.
- Clear your browser’s cache and cookies:
  1. In Internet Explorer, click the **Tools** icon, and then click **Internet Options**.
  2. On the **General** tab, under **Browsing history**, click **Delete**.
  3. In the **Delete Browsing History** dialog box, select **Temporary Internet files**, click **Delete**, and then click **OK**.
  4. Close and then reopen the browser.

If you are using your personal computer and are running into any issues, please try using Google Chrome or Mozilla Firefox as another option.
Never Reset Your Password before?

STEP 1:

Go to [www.bowiestate.edu](http://www.bowiestate.edu).

STEP 2:

At the very top of the page click on myBSU.
Never Reset Your Password before?

STEP 3:

Under “Student Links” click on “Student Password Reset

STEP 4:

This is the BSU Password Management Portal. Type in your “User ID”. Your user id is normally everything that is before the @ symbol of your email address (i.e. doej2014@students-bowiestate.edu). After entering your User ID, click the submit button.
Never Reset Your Password before?

STEP 5:

Type in your Employee/Student ID. You will find your ID at the top of your Acceptance Letter provided to you by Admissions. Click Submit.

STEP 6:

The system will then ask you to configure your secret questions. Click Close.
Never Reset Your Password before?

STEP 7:

Next you will select your secret questions and provide the answers. Please be advised, this is not case sensitive. Once completed then click Submit.

*Note: If you should make a mistake and hit submit, you can select the start over button in the upper right hand corner.
STEP 8:

Here is where you actively select to “Reset my password” and click Next.

**Password Management Portal**

*Forgot your Password?*

No worries. You may quickly and securely reset forgotten passwords to your accounts.

1. **Enter your Identity user name**
2. **Verify your identity: answer your secret questions**
3. **Manage your secret questions or reset your password**
   - Reset my password
   - Configure my secret questions
   - Next
Never Reset Your Password before?
