Entrepreneurship at Bowie State University

University-Wide Initiative
Cultivating and Developing the Mindset of Future Entrepreneurs and Intrapreneurs!
“Entrepreneurship at Bowie State University is more than helping students to start new businesses or to create a new product. It is developing a mindset. We are preparing students to become value creators who know how to navigate the ever-changing workplace, and continually add value to the economic vitality of their communities. Integrating entrepreneurship into the curriculums across Bowie State University is essential for preparing our graduates for success for today and tomorrow.”
