I. APPLICABILITY

Bowie State University facilities are available for use by university departments/divisions; recognized student groups and affiliated organizations; and community and outside organizations. For purposes of determining rental fees and other requirements, usage of university facilities falls into one of three categories: (1) rental by external organizations or businesses; (2) department/division-sponsored use; (3) events hosted by the university.

II. FACILITIES USAGE STANDARDS

A. RENTAL: An external organization or business requests use of university facilities for a meeting, program, and/or activity and is charged a room rental fee and other applicable charges.

B. DEPARTMENT OR DIVISION-SPONSORED: The activity or event is identified, planned and promoted as a Bowie State University program. A department or division determines the content and agenda, and is responsible for organizing all logistics and paying any costs, where applicable.

C. UNIVERSITY HOSTED ACTIVITY OR EVENT: The event is planned and promoted by an affiliated organization or an external organization or agency with which the university has a relationship. The university derives some benefit from holding the program on campus. The external organization or agency or affiliated organization is primarily responsible for determining content, agenda, and logistics for the event.
